Labatt's India Pale Ale

Is an excellent nutrient tonic. Physicians desiring to prescribe will
hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients,
that it stimulated the appetite, and thereby increased nutrition. The
taste likewise was always highly spoken of. In nervous women, we
found that a glass at bedtime acted as a very effective and harmless
hypnotic."—*Superintendent of large United States hospital.*

**BECAUSE THEY'RE
A PERFECT STOVE**

The record of the Souvenir Kitchen
Range partakes in no way of a flash in the
pan. It is not like the early dew—a creation
to be wiped away with the first ray of sun-
shine. To slightly alter a saying of Glad-
stone's:

"Time is on the side of the Souvenir
Kitchen Range."

You are delighted with it when you get it.
It's so much in advance of any kitchen
stove you have ever used. But the more
you use it the better you like it—the better
it becomes.

It's the only stove where you can be entirely sure of perfection in cooking—
because it's the only stove with an **Aerated Oven**—the only stove that ensures perfect
cooking. A tasty and readable booklet, nicely illustrated, tells more about the aerated
oven, and is yours for the asking

**THE
"KELVIN"**

style of travelling and golf cape is one of the
most popular outer garments. We have a
large stock of these at present, representing
the patterns of the famous Scottish clans
and families. Some are reversible combi-
nations of one plaid with another; some
one side plain color with plaid design on
reverse. The qualities are first-class, the
colorings reproduced in full richness of tone
—the patterns all historically correct.
