Money

How You Can Realize
Some Now!

You can always find a use for ready cash. The problem that is uppermost
in the farmer's mind is "How can I make Money?" Answer it this way:
"What have I that I can spare at the present moment which will be of use
to some one else? Have I more Seed Grain, Oats, Grasses, Poultry
for breeding purposes, Eggs for hatching, in fact, anything seasonable, than
I need?"

Think it over—you'll discover something. Why not sell it? Good Seed
Wheat will bring you from 25 cents to 50 cents a bushel more than if you
hailed it to the elevator, Oats from 15 cents to 30 cents, Potatoes from 30
cents to 40 cents, more than the dealer will pay for consumption. Isn't
it worth while advertising?

We print here two striking testimonials, which are the actual experiences
of farmers who advertised in The Guide. They are not isolated cases either—
letters like these reach our office nearly every day. Your opportunity is
equally as good. Try The Guide yourself.

Grain Growers' Guide, Winnipeg, Man.
Gentlemen:—Please discontinue my advertisement in your classified columns
about Barred Rock Cockerels as I am entirely sold out. Your paper sure
gets the business.

In place of the Cockerel ad. insert the following five times, giving it the same
position as the other if possible. I enclose draft for \$10.00.
Yours truly, (Signed) William LaChapelle.

The Grain Growers' Guide, Winnipeg, Man.
Dear Sirs:—My small ad. of Banner Oats brought good results. My oats
are now all gone, and I have a dozen orders to cancel, besides letters from some
thirty prospective buyers to answer and explain that I am sold out.
Yours very truly, (Signed) L. W. Anderson.

Here are the two ads. which brought the business:
