SEED GRAIN INSPECTION

BULLETIN No. 2

The Seed Grain inspection is conducted for your benefit, Mr. Farmer. Are you availing yourself of this service? You should do so, whether you are a car shipper or whether you are merely anxious to know whether or not you are going to get good seed in the ground next spring.

We have a service for you—see it! If you are shipping a car of seed wheat, bill it through the Terminal Elevators, or send a sample to the office of the Chief Grain Inspector, Winnipeg, with a request for seed inspection. If the car is accepted, certificate will at once be forwarded, giving seed notation.

If you are desirous of knowing that your seed is pure and has sufficient vitality the Seed Laboratories will test 25 samples for you free of charge.
