BINDER TWINE

Eight Thousand United Farmers

ASK the Grain Growers' Association and the Farmers throughout the country to realize that our Agents are all Farmers, and that this Company is putting forth business efforts to prevent the curtailment of all our Canadian manufacturing interests such as now exists in the United States. Don't use us as a whipping post. We assure you that our twines are going to people this season again at actual cost, while we have one of the finest mills in America. Every ball of our twine is guaranteed strictly in accordance with Dominion Government regulations. We are the only Binder Twine Company today in the Dominion fighting for the Farmer against Monopoly and Corruption. Write for an agency, samples and information. Don't be humbugged or get this Company confused with any other.
