

KEEP A KODAK HANDY

Just outside your front gate, all summer long, you'll find these intimate home scenes that make splendid Kodak pictures. They're the ones that form the "priceless" part of any Kodak diary.

We're here to help you photographically. Kodaks, Films and Accessories; and helpful advice on picture making.

HARDWARE

MELOTTE ORIGINAL

Points of Superiority

Single Ball Bearing suspends the bowl. It spins like a top. Bowl is self balancing — cannot get out of alignment. This is an exclusive Melotte feature. It turns easier than any other separator of similar capacity.

Sanitary milk and cream chamber lined with white bath-tub enamel. Reduces tinware one-half—makes cleaning easy—is always sanitary — lasts a lifetime.

Square cut gears (not spiral). All enclosed vertically and mounted—running in oil, on steel ball bearings.

Suspended self-balancing bowl. No bottom bearing to wear or cause vibration and poor skimming.

Self-draining bowl insures clean discs—prevents cream waste. Milk cannot sour in the bowl if it is left standing before washing.

Solid cast iron base and frame—rigid and sanitary.

Ask us to demonstrate Melotte—Now!

HELWIG BROS.

GENERAL MERCHANTS

THEY'RE ON THE JOB WHEN YOU NEED 'EM — AND COST NO FEED WHEN YOU DON'T

This is the day of "STEEL HORSE-POWER" when men direct the power of sturdy horses through the simple twist of a steering wheel. City streets and country roads swarm with proof of this statement. And if you will cast your eye over the countryside you'll find thousands of examples wherein "Steel Horsepower" is the drawbar and belt power that operates modern-day farms at top efficiency.

What kind of power will you depend on this year? Will you rest content with plodding horse-flesh, or will you enter a new era of progressive farming with a new McCORMICK-DEERING TRACTOR at the head of your program? Think of your plowing, your tillage work, your haymaking, your grain harvesting and threshing, your corn harvesting, and the hundred and one belt jobs that must be done one way or another during the coming years. Consider what it will mean to you to put these operations out of the way quicker, more profitably, and more pleasantly with a McCORMICK-DEERING TRACTOR!

And don't forget, there is a complete line of McCormick-Deering farm-operating equipment at your command—tools built to work especially well with McCormick-Deering Tractors.

We shall be pleased to explain all mechanical details fully and what a help a McCORMICK-DEERING TRACTOR can be to you.
