Alderman Jaques Protests. Chairman Jaques of the Fire and would report in the matter. light committee, protested against the action of the utilities commission in that the commission had taken on themselves to designate what street lights should be cut off when a reduction of 25 per cent. was ordered. He thought the committee

RHEUMATISM GOES IF HOOD'S IS USED

The genuine old reliable Hood's Sarsaparilla corrects the acid condition of the blood and builds up the whole system. It drives out rheumatism because it cleanses the blood.

It has been successfully used for forty years in many thousands of cases the world over.

There is no better remedy for skin and blood diseases, for loss of appetite, rheumatism, stomach and kidney troubles, general debility and all ills arising from impure, impoverished, devitalized blood.

It is unnecessary to suffer. Start treatment at once. Get a bottle of Hood's Sarsaparilla from your nearest druggist. You will be pleased with Norfolk News SIMCOE BUSINESS COLLEGE. Beginners' class starts next to day. Our programmers' class starts next to day.

count Goes Back to the Officers Formerly With The

The present shortage of power has caused considerable discussion among the citizens of Brantford concerning the unsatisfactory street Railway service and street lighting. As a matter of fact every power user and many lighting circuits are at times affected. The Brantford Hydro Electric System at the present time cannot supply power or over 75 per cent. of their previous maximum demand which means that all users of power user and street light. This naturally affects the Street Railway, who, to curtail, either take off cars or run much slower. As to the Street lighting the streets as they continued to the streets as they continued the streets as they continued to the streets as they cannot the streets as they continued to the streets as they cannot the street in the streets as they cannot the street in the streets as they cannot the streets as they cannot the street and the streets as they cannot the street and the street and the streets as they cannot the street and the street and the streets as they cannot the street and the streets as they cannot the street and the street and the street an Sir Henry Drayton and the price sort of joint address and presentation, but Mrs. O. will doubtless which council operated, were constituted that the men once employed which council operated, were constituted by the C.D.F. will not be asked piled back in the eighties and that to serve in the ranks before being they did not touch on the matter. given an appointment as officer with He understood that the militia officer who has not seen such service will be expected to enlist as n the matter.
