Whooping Cough

"The disease I most dread is Whooping Cough, for children are often permanently injured by the awful straining of the cough. You should never neglect it, and treatment should be started at the first symptom. You cannot mistake the symptoms: protracted coughing, worse at night; peculiar whoop; labored expectoration of mucus; apparent suffocation after coughing."

Chamberlain's Cough Remedy

is a positive remedy for this disease—repeat the dose frequently, for if given freely it liquefies the tough mucus, makes it easy to expectorate and counteracts any tendency toward pneumonia. There is no danger whatever from Whooping Cough when Chamberlain's Cough Remedy is freely given."

Yours for Health. —Gladys Chamberlain

MAKES ASTONISHING CURES

Mi-o-na Tablets Cures Dyspepsia by Promptly Removing the Cause, or Money Back

There is just one way to cure dyspepsia and stomach disorders, trivial or serious and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na tablets quickly arouse the stomach from its inaction and in a short time it is able to do its work properly.

Harry Dodd of Bridge Street, Hastings, Ont., says: "For seven years I had suffered and spent much money doctoring, but all to no avail. I could eat but very little, as the food would ferment and sour, making gas which caused serious heart oppression: I was in constant misery, sour gas would belch from my stomach I, was languid and weak and had no ambition. I did not feel like going anywhere or seeing anyone. There was a constant dull pain in the pit of my stomach. I was unable to sleep, was nervous restless and would awake more tired than on going to bed. I tried Mi-o-na and soon found relief, and in less than six weeks Mi-o-na had completely cured me."

J. D. Clark, the druggist sells Mi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them or money back.

WHY FEAR

"Why fear death? It is the most beautiful adventure in life."

(The last words of Charles Froham on the sinking Lusitania.)

Why should I fear Death's call?
Can there e'er be
In life more beautiful adventure than
To re-embark upon the unknown sea—
That mystery from which Love summoned me—
Upon whose hither shore my life began?

So gently was I brought that when Life laid
Me on Time's bosom I was not aware;
And when at length I knew that I was made
Like her who bore me, then no more afraid
Was I, lest Love should fail of tender care.

And when, with an instructed mind, I read
That law that Nature hath to me revealed,
I know His love will satisfy each need,
That life's adventurous hope will find its meed,
And every lacerated heart be healed.

And I have learned He doeth all things well!
Yet Life, from its own incompleteness holds
A need, instinctive, which it cannot tell,
Of future greeting for each last farewell,
Of happiness, united love enfolds.

All forms of life are endless. Each frail vase
Is emptied o'er and o'er—but filled again;
And never tangled is the wondrous maze
Of Nature's melodies through endless days—
And yet forever new and sweet to men.

We know that Life upon some future waits;
The worn cannot forecast the butterfly;
And yet the transformation but creates
Another stage in Nature's steps, which mates
