HAVE WON FRANCHISE

MONTREAL, January 26—Sir Frederick E. Smith, the British attorney-general, yesterday addressed the Women Canadian Club here at the Ritz-Carlton Hotel on the war. Referring to the fact that the French soldiers were fighting not far from home, he paid tribute to the Canadian soldiers, who had not these inducements to fight, but, "had earned a reputation for themselves second to none won by any division of any army in the world in the present war."

A RESOLUTION IN GERMANY IS REPORTED

LONDON, Jan. 26—The Amsterdam correspondent of the Express, says that extraordinary reports are current concerning a revolution in Germany and that there have been rumors of grave disorders in Berlin during the past two days, the rioters clamoring for peace. He also reports bread riots which were ruthlessly repressed by the police, many men, women and children being wounded.

BRITISH PREPARING FOR GREATEST ENEMY ATTACK

LONDON, Jan. 26—Lord Curzon, member of the War Council and Government leader in the House of Lords, speaking at Cardiff last night, admitted, broadly speaking, that the war aims of the Labor Party agreed with the war aims of Premier Lloyd George and President Wilson. Discussing the war, Lord Curzon said that the British forces on the Western front were preparing for the greatest attack yet delivered by the enemy. It is unbelievable, he said, that Germany will not employ the large forces released by the Russian collapse, and

DISASTROUS FIRE AT SHEFFIELD MILLS

Barn and Contents Consumed with Sixteen Head of Fine Stock. On Friday Jan. 18th the community at Sheffield Mills was started by the alarm of fire, which started in the eastern part of Mr. F. A. Webster's barn. There was no one at home but Mrs. Webster, he being absent at the station, only being away about half an hour. The barn was soon all in flames and it was found impossible to get out any of the stock in the barn. It was pitiable to hear their howling before the smoke and fire did its work.

Neighbors soon came from all parts and did their best to prevent the spread of the fire. Some few things and a little feed was saved from the barn. The loss includes his large barn with hay a quantity of feed, farming tools and farm machinery and sixteen head of cattle all consumed.

It was thought the home also would be burned and all the windows and doors were taken out, but it was saved though much damaged. The stock of Mr. Webster was a fine one, he having purchased \$500.00 only in November. The insurance of \$2500 is but a small part of Mr. Webster's heavy loss.

KINGSPORT

The working Band of the Congregational Church was held at the home of Mr. and Mrs. E. I. Loomier on Tuesday night and largely attended.

PROHIBITION FOR QUEBEC NEXT YEAR

Liberal Caucus Favors Abolition of AM License. QUEBEC, Jan. 22—Quebec is to have absolute, complete prohibition starting May 1st, 1919. This was decided at the Liberal caucus held this morning at the Parliament Buildings. The caucus lasted barely one hour. Nothing was discovered outside of the prohibition question. The sentiment appears to have been practically generally favorable to absolute prohibition. All licenses will be abolished, even grocery licenses will be cancelled. This is a war measure.
