Minard's Liniment for Rheumatism.

12 cents in stamps the publishers (the Sabiston Litho. & Pup. Co., Montreal), will seud to any address a sample copy with full particulars. This class, which in June will mount the rostrum to receive the diploma of graduation from the college, has since it touch with the leading events of the entered been distinguished as being the day in an accurate and readable form. Minard's Liniment for Rheumatism.

The Church Street School

The semi annual examination of Church Street school came off on Friday afternoon, the 3d inst. The various exercises were of a highly satisfactory character and exhibited cleverness and diligence in the pupils, as well as talent and energy in the teacher, Miss Mabel Caldwell, of Cambridge. A senior of dily was present and asked several questions in history and grammar, which were speedily and accurately answered will be teachers, three lawyers, twelve will be teachers and readure of the Crisp Articles:

E.:ght, interesting and original, by some of the best literary talent of the Province.

Literary Selections from the conege, and will be teacher to the largest ever graduated in Arts in the Martine Treatment of the largest ever graduated in Arts in the Martine Treatment of the largest ever graduation from the conege, and will be teacher to character and ever graduation from the conege, and will be teacher to the largest ever graduation from the conege, and will be teacher to the largest ever graduation from the class and the largest ev questions in history and grammar, which were speedily and accurately answered. Compositions of a very interesting and respectable character were read by the Misses Wartlaw, Hutchins and Wood worth. Though the weather was unfayorable a large number of visitors were present, several of whom expressed their appreciation of the good work done throughout the term. Miss Caldwell was presented at the close with a handsome bible as a token of the love and esteem of her schools. She has been offered the school for the summer and will resume her duties the first of May.

Ordanned in the missay, and the sendicts already. For the other professions, eight ready. For the other professions, eight ready. For the other professions, eight ready. For the other professions, eight will be teachers, three lawyers, twelve doctors, two civil engineers and one jour. The fourth-four, thirty-two are from Neva Scotia, eight from New Frunswick, three from Cape Breton and one from P. E. Island. Twenty-eight of the number came in through Horton. Collegiate Academy and the remaining sixteen from ciher academies or high the schools. We will no doubt hear from this class again.
