

Gleaned by the Way.

Miggins—When your wife sings I suppose you forget all your troubles. Buggins—Um—all my other troubles.

'Pa, what is a political leader?' 'A man who is able to see which way the crowd is going, and follow with loud whoops in that direction.'

A Much Prized Book. Mrs. Chase's Receipt Book and is highly prized as Dr. Chase's Receipt Book and is highly prized as Dr. Chase's Receipt Book.

Waiter (who has just served up some soup)—Looks uncommonly like rain, sir.

Diner—Yes, by jove! and tastes like it, too. Bring me some thick soup.

I hear you are going to marry Charlie.

'Yes, he asked me last evening. 'Let me congratulate you, Charlie. He is one of the nicest fellows I have ever engaged to.'

A Faithful Friend. 'I have used Chamberlain's Colic, Coughs, and Diarrhoea Remedy since it was first introduced to the public in 1874, and have never found one instance where a cure was not speedily effected by its use.'

Here is an extract from the prospectus of a hotel in Switzerland: 'Weisbach is the favorite place of resort for those who are fond of solitude. Persons in search of solitude are, in fact, constantly flocking here from the four quarters of the globe.'

Theory vs. Experience. Theories are often very beautiful, but they are not to be trusted as many a physician has found out when it was too late to save the life of his patient. It is always safer to be guided by the experience of others and use only medicines tried and proven merit such as Dr. Chase's Syrup of Licorice and Turpentine for the cure of coughs, bronchitis, asthma, whooping cough and other colds.

'No, I cannot say that you have, he replied. 'I think nature had something to do with it.' Then he made his exit.—The Bits.

CASTORIA. Bears the Signature of Dr. H. W. Chase.

'The papers are afraid to say anything,' sneered the first citizen. 'Some people don't feel that way about it, replied the other. 'Ever run for office?'

'No, but I wrote a letter roasting some fellows that needed roasting, and the paper didn't print a line. 'Did you sign your name?' 'Certainly not. 'Dye think I'm a chump?'

CASTORIA For Infants and Children. The Kind You Have Always Bought Bears the Signature of Dr. H. W. Chase.

The chef told Rufus that they were going to have smothered chicken for dinner, and he wanted him to get the chickens ready.

Rufus was gone a long time and the chef went after him and found him sitting on an old tub in the hot sun. 'What is keeping you so long?' the chef asked. 'Boss, I can't smother these chickens, altho' I has stuff up every chink, ash, and when Rufus lifted the tub he released some very lively chickens.'

Mrs. A. R. Roy. 'I had my hand and wrist broken and badly mangled by a vicious horse. I suffered greatly for several days and the tooth cure refused to heal until your agency gave me a bottle of MINNERS LIMEWASH which I began using. The effect was magical. In five hours the pain had ceased and in two weeks the wounds had completely healed and my hand and wrist were as well as ever.'

A lawyer once asked a man who had at various times sat on several juries, 'Who influenced you most—the lawyers, the witnesses, or the judge?' He expected to get some useful and interesting information from so experienced a jurymen. This was the man's reply: 'All tell yer, air, 'ow I makes up my mind. I'm a plain man, and a reason's man, and I ain't influenced by anything the lawyers say, nor by what the witnesses say, nor by what the judge says. I just looks at the man in the docks and I says, 'If he ain't done nothing, why's he there?' And I brings 'em all in guilty.'—Christian Register.

Chronic Diarrhoea Believed. Mr. Edward E. Henry, with the United States Express Co., Chicago, writes, 'Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured myself, so our entire office has been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once.' For sale by Rand's Drug Store.

Miner's Limestone Cures Diphtheria. 'I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1874, and have never found one instance where a cure was not speedily effected by its use.'

Mark Twain in an Emotional Moment.

H. H. Rogers, on his return voyage from Bermuda last month, said one evening in the smoking room of his traveling companion, Mark Twain.

'He is an incorrigible humorist. Even in his most emotional moments he can't help being funny. 'When he married in Elmira in 1870, his father-in-law had him a present of a fine, well furnished house in Buffalo.'

'The present came as a superb surprise. Mark Twain knew nothing of it till, amid a party of relatives and friends, he was shown over the luxurious place. Then, when they told him it was his, tears filled his eyes. 'But he was still the humorist, and turning to his father-in-law, he said, though in a voice that trembled a little: 'Mr. Langdon, whenever you're in Buffalo, if it's as much as twice a year, you are to come right up here and take tea. You can stay all night, too, if you want to, and it ain't no cost you a cent.'—Philadelphia Bulletin.

Have a Good Complexion. First of all you need plenty of blood—the red kind. Have it pure, or otherwise blotches and pimples will render your natural charms unavailing. Nothing can equal Ferrozone, either as a tonner of rich blood or as a purifier. By driving out humors, Ferrozone cleanses inside just as water does outside. Because of the nourishment and building properties it contains, Ferrozone, brings the system to a high point of vigor, from which shines vim, ambition, good spirits, good health, take Ferrozone, all dealers in soc. boxes.

Alas, there are no scythes nowadays! The work is done with horses and reapers. The economical reform has swept out romance unmercifully. In those days there were men who knew how to swing them. It was a fine sight to see four or five well built lads, led by the father, mowing down the meadow—and the timothy was nearly as tall as their heads. But the swing of their scythes fell true, and their tread was even; and they were glad birds sang overhead, and when they came near a ground bird's nest the mother told them of it, and they went round leaving it unharmed. But a bumblebee's nest. That was another thing! And they went around that also. But at night the boys did not forget, for bumble's honey is good; they didn't know in those days that the bumblebees were very essential in a clover field. I remember one tall fellow, with a touch of Indian blood, who went down the field on a trot—cutting a good, honest swath all the way. No one could keep near him, and he was the envy of all boys and men. At noon he marched like a general, and at night he spoke patently. Why not, for it was a grand achievement. Such art was as good as scanning Homer, and the best never lost time. They were hexameters—that rhymed.—E. F. POWELL in Outing.

Question for Every Reader. If you could find a simple vegetable remedy for keeping all organs healthy and strong—wouldn't you use it? Most pills are harsh, cause pain, and sick stomach. Dr. Hamilton's Pills are different—they regulate and cleanse the system so gently, act so silently you scarcely realize you've taken medicine. You are cleansed, appetite improves—color clears—sleep is restored. Every man, woman and child is helped by Dr. Hamilton's Pills. Try a 25c. box.

Musings of a Country Merchant. 'Yes,' remarked a country merchant, 'I certainly have a snap. Wholesale houses send duns every month and draw on me at sight, but if I send a bill to a farmer, he becomes swearing mad and quits trading at my store. While I am hard up for money, many of those who are owing me are sending money in advance to mail order houses. If I contribute money to any cause people say I am bidding for trade. If I don't they say I am a hog. Every day I am expected to dig up for everything that comes along, from a railway ticket to a church fund by people who claim I ought to do this because they do part of their trading here, but our friends, Robert Simpson and T. Eaton, neither buy tickets nor help the church fund, and yet they get the cash in advance business. If I sell a pair of pants I must treat the family to candy and cigars; if I buy a load of potatoes I must do the same. Customers who are able to pay hang on to their money, while I pay 10 per cent. at the bank to get ready cash. I have a big business during hard times and poor crops, from people who are willing to trade with me provided I can duplicate catalogue house prices and wait until harvest for money. My scales weigh too much, when I sell sugar, and too little when I buy butter. I am a thief, a liar and a grater. If I sell a lot of soft soap, I get a grudge, and if I don't I am a grump. Yes, certainly this is a snap. And he looked over \$10,000 worth of accounts, all good, and wonders how he could raise \$350 to pay a sight draft due to-morrow.—[E.]

Granulated Sore Eyes Cured. For twenty years I suffered from a bad case of granulated sore eyes, says Martin Boyd of Horseta, Ky. 'In February, 1893, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since. This salve is for sale by Rand's Drug Store.'

A Gift of God. God gave a gift to Earth—a child, Weak, innocent, and undefiled, Opened its ignorant eyes and smiled, It lay so helpless, so forlorn, Earth took it coldly, and in scorn, Cursing the day when it was born.
