## LOCAL AND PERSONAL ITEMS

Our first storm in February proved a very severe one and our usual Saturday night clamor and bustle were altogether lacking. The impassable roads for Sunday materially reduced the numbers attending the several services in town, but with the advent of Monday the road commissioner with a few ruddy cheeked aids, soon made them better than before. Our rain, long hoped for, is still deferred and many long faces are pulled when the owners thereof are obliged to melt snow to obtain the necessary. What a great opportunity is afforded the shirker who is averse to frequent baths.

The dance pulled off here in the Opera House on Wednesday evening by the younger bloods was a most successful and pleasant function. Knowles' orchestra from Fort Fairfield had been retained for the occasion and furnished the sort of music "that has charms to soothe the savage breast." During an intermission the committee in charge furnished a most delightful light lunch.

Plans are now on foot for an elaborate "At Home" to be given by the members of the Masonic fraternity in the near future. This will include their comports whether it be their best or worst halves. The affair will be staged at Centreville and for which the date hasn't been definitely chosen.

Miss Laura Burpee was called to Avondale last week on account of the illness of her father, Geo. F. Burpee. Friends of Mr. Burpee will regret to hear of his serious illness and join in wishing him an early and speedy convalescence.

Mrs. E. L. West returned on Tuesday from Presque Isle where she had been spending a fortnight. Mrs. S. W. Burt and Mrs. M. A. Burt spent a couple of days last week visiting Mr. and Mrs. Wilmet Burt at their home in Jacktown.

George Wilkinson of Minto spent Saturday and Sunday with his family here.

Mrs. L. L. Clark is visiting her sister, Mrs. F. D. Tweedie, at Woodstock.

Mrs. J. C. Stevens entertained the members of the "Merry Widow Club" most pleasantly on Thursday evening at her home here, while their husbands were indulging their gregarious instincts at their Lodge home at East Florenceville.

Mr. Thurott of Windsor Hall, Fredericton, spent Wednesday and Thursday in town on business.

S. W. Niles left on Thursday for New York with a consignment of high priced spuds, for a local dealer.

James DeLong and Miss Georgia DeLong of Brookville were guests of Mr. and Mrs. Norris DeLong on Tuesday.

Probably the oldest resident of the county died at the home of her son, Ludlow B. Clark, at Centreville, on Saturday, in the person of Mrs. James Clark, in the 100th year of her age. A very complete sketch of her long life is received too late for insertion this week.

Friends of George F. Burpee of Avondale will regret to hear that he has been seriously ill at his home.

## MUCH SUFFERING DUE TO THIN BLOOD

Rich Red Blood Necessary to  
Health and Strength

If more people knew how many ills and pains are caused by thin, watery blood a great deal of suffering would be avoided. Men and women often suffer for long periods from stomach trouble, headache, palpitation of the heart, and nervous complaints such as neuralgia, without suspecting that anaemia or bloodlessness is the cause.

The blood goes to practically every part of the body, carrying oxygen and nourishment. The efficient action of every organ is directly dependent upon the quality of the nourishment it gets from the blood. If the blood is thin it becomes weak in nourishment and health fails. The best

way to keep the blood rich and red and thus enjoy good health is through the use of Dr. Williams' Pink Pills. At the first sign of weakness these pills should be taken and good robust health will soon follow. The statement of Mrs. J. J. Murray, Corbetton, Ont., shows the value of Dr. Williams' Pink Pills in cases of this kind. She says: "A few years ago my daughter, Lillie, was in a very badly run down condition. She was pale, thin and scarcely able to go about. The least exertion made her heart palpitate so violently that we were actually afraid one of these spells might carry her off. She slept so badly that often she would lay awake until morning. Treatment did not seem to help her and we were almost in despair when a friend advised the use of Dr. Williams' Pink Pills. A few weeks use of this medicine showed a decided improvement and a further use of the pills fully restored her to

health, and she has since been a strong healthy girl. Sometime later I was taken ill myself, being badly run-down from household care. A doctor was called in but his medicine did not seem to bring back my strength, and remembering what Dr. Williams' Pink Pills had done for my daughter, I decided to drop the doctor's medicine and try them. The results that followed were like those in my daughter's case, and through the use of the pills I was soon a well woman. I am glad to give my experience in the hope that some other sufferer may find the way to health.

You can procure Dr. Williams' Pink Pills through any dealer in medicine, or they will be sent to you by mail at 50 cents a box or six boxes for \$2.50 by writing direct to the Dr. Williams' Medicine Co., Brookville Ont.
