FRENCHMAN FAVORITE FOR TO-DAY'S RACE.

New York, May 8.—Thirteen of the greatest professional long distance runners will compete this afternoon at the Polo grounds for the Marathon championship of the world. The race carries with it a purse of \$10,000, which will be divided among the first seven men, from \$5,000 down to \$200. The entry list was originally limited to 12, but Tom Morrisey, of Yonkers, decided at the last moment to break decided at the last moment to break of the route. Should he do so, he is the most dangerous man in the race. John D. Marsh won the Canadian Marathon last Saturday in phenomenal time, but it is almost too much to expect a runner to win two hard Marathons in one week.

Tom Morrisey, of Yonkers, is a new comer, but his work of late as an amateur has not been as good as it was formerly.

The entry list was originally limited to 12, but Tom Morrisey, of Yonkers, decided at the last moment to break into the professional ranks which brings the number of entrants up to 13, and there is every likelihood that the world's record for the Marathon distance, 26 miles 385 yards, will be smashed.

In view of his former victory, Henry St. Yves, of France, will be the natural favorite. The easy manner in which he vanquished his opponents in the Marathon derby won him a record of 231.00 for the distance, but the course over which he travelled from Windsor to London was nearly 12's miles short. John Svanberg, the Swede, is another man of whom great things are expected, but the last two miles of his match with Fred Simpson at Celtic Park, when he was all in, together with his defeat at the shorter distance by Pat White, does not augur very well for his victory. Dorando is always dangerous. He has undergone special preparation for this event and expects to turn tables on his former vanquisher, St. Yves, Fred Appleby, the English crack, who has a victory to his credit over Shrubb at the latter's favorite distance, 15 miles, is also an unknown quantity,

at the boxing and wrestling tournament at Phelps street rink, under the auspices of the Olympic Club. Some excellent bouts were put on during the evening, and there was wrestling between two well-known wrestlers, which continued for half an hour without a fall. In the 105-lb. class, Tock Joy, of St. Kitts, and Wilson, of Thorold, fought three rounds to a draw.

Odeen, of the Lyceum, won from Toms, 19th Regiment, in the 125-lb. special, but lost to Harry Edmunds, of the 19th Regiment.

New York, May 7.—Freddie Welsh, Toronto, won on points from Willie Mara, Don Rowing Club, Toronto.

Memsic won the decision over Frank when he outpointed Johnnie Frayne, of San Francisco, in a fast ten-round bout. Welsh showed that he was a clever box. But that was about all. He lacked a knockout punch and at no time had frayne in trouble, in spite of the blows with the lacked a knockout punch and at no time had frayne in trouble, in spite of the blows was rather slow, and neither man suffered success.
