

## THE ARGOS WON THEIR FIRST GAME

After a Season of Hard Luck the Oarsmen Defeated Montreal on Their Own Grounds by a Score of 22-4.

Montreal, Nov. 8.—Montreal wound up a disappointing season in the Inter-provincial with a defeat—22 points to 4—at the hands of the Argonauts here Saturday afternoon. The loss of Stinson, full-back and captain of the local team, who was injured in the first quarter, was fatal to Montreal's chances. The first quarter ended with the score 1 to 0 in favor of Argonauts. Montreal evened up half way through the second quarter, but just before the half-time interval two last fumbles in the back field gave Argonauts two tries, and with one of these converted and a rouge added, the Argonauts had a commanding lead of 13 to 1 at half-time. Three one-point scores on kicks over the Montreal line, a try gained on a Montreal trick play that went wrong, and another one point, scored on a kick, brought Argonauts nine points in the third quarter, and the score stood 22 to 1. The final quarter saw Montreal making a hard but futile effort to pull the game out of the fire. They prevented the visitors from scoring, but succeeded in adding only three points to their own total.

Montreal showed much the same form as against Hamilton. The young team was uncertain in tight places, and brilliant plays were followed by misplays of the worst kind. The loss of Stinson left the important position of full-back in the hands of intermediates, first A. Scott, who had to retire before half-time, and then of Lawson. Both were uncertain in handling the ball. After a luckless season luck came Argonauts' way at last; the fumbles that have been costing them games were made by the other side this time. The team is big and strong, and the back division players handled the ball well. Mert Kent was the star.

The game was interesting enough in spots, but by half-time Montreal was a beaten team, and there was no chance for local enthusiasm. Frequent delays while players who had been injured were being brought out, prolonged the play until after five o'clock, and through the last quarter it was impossible to make out much of what was going on. There was a good deal of roughness in close scrimmage work, and Colls, of Montreal, and "Pud" Kent, of Argos, figured in a lively scrap in the fourth quarter. Colls had been ruled off twice before, and went off a third time when he and Kent, after exchanging wallop over the scrimmage and getting away with it, were caught at the same trick a minute later. Kent was in a very angry mood and needed a lot of pacification.

An exchange of kicks resulted in Stinson being forced to rouge near the end

of the first quarter. Argos 1, Montreal 0. Stinson's leg was hurt and he retired from the field, "Gub" Scott going on in his place. The quarter ended shortly afterwards.

Starting the second quarter, Mert Kent, following up his own kick, collided with Hamilton, and gave the latter a severe shaking up. A punting game by Duckett gained steadily for Montreal, and finally a miff in the visitors' back field and a daring plunge for the ball by Duckett gained steadily for Montreal, 10 yards out. Duckett tried to drop a goal, missing the posts, but forced a rouge, making the score 1 to 1. A kick by Mert Kent from centre was muffed by Ab. Scott, and Jeff Taylor secured the ball and raced over for a try. Russell missed the convert. A few minutes later another miff in the Montreal back field another try for the Argos, and this time Russell converted. Lawson, who was now in the place of Ab. Scott, who had been injured, rouged on Mert Kent's kick, and half-time came with Argos leading, 13 to 1.

Argos forced the play to the Montreal end at the start of the second half, and through Mert Kent's exchanges with the Montreal backs, added three points singly on kicks to the dead ball line and touching-goal. One of these followed a play in which Montreal successfully held Argos for downs right on the Montreal line. Argos 16, Montreal 1.

On Montreal's 15-yard line Duckett attempted a short kick across to his outside right. The play went wrong, for it was an Argonaut man, Sinclair, who grabbed the ball. He raced in a wide detour over the Montreal line, and without interference was allowed to come back to the centre and plant the ball right under the Montreal posts. Russell missed the convert. Mert Kent kicked to touch behind just before the quarter ended, leaving the score 22 to 1 for Argonauts.

It was 4:45 before the fourth quarter was started, and most of the play to the finish was obscure to the spectators in the stand. Montreal had much the better of the play, but could not do more than score three points on Duckett's kicks, one on a rouge, another to the dead line and the other to the touch behind. The teams:

Montreal—Stinson, full-back; H. Scott, Duckett, Hamilton, halves; W. Baillie, quarter; McNamee, McAllen, Colls, scrum; Egan, J. Baillie, Cameron, Douglas, Reiffenstein, Fraser, wings.

Argonauts—D. Kent, full-back; Green, M. Kent, Knight, halves; Coryell, quarter; B. Brown, Russell, B. Brown, scrum; J. Taylor, H. Huether, Ferguson, W. Grant, P. Kent, A. Sinclair, wings.

Referee—Mr. Robins. Umpire—Mr. Hayes. At New Haven—Yale 23, Brown 0.

## THE INTER-COLLEGIATE GAME ON SATURDAY.

'Varsity Practically Has the Championship of Inter-Collegiate Won—Lawson Made 80 Yard Dash—Ottawa Defeated by McGill.

Toronto, Nov. 8.—The biggest crowd saw the best game of the local football season when Varsity defeated Queen's on Saturday afternoon, and practically decided the championship of the Inter-collegiate Union. Varsity field could not accommodate everybody that wanted to see the match, but the great crowd was well taken care of by an efficient force of police, the sides of the field being lined by spectators. The crowd was estimated at 3,500.

Though Varsity won by 21 to 9, there was no such superiority on the part of the blue and white as the disparity of the score suggests. Varsity led in the first quarter by 6 to 1, and it was 12 to 7 at half-time, and at the end of the third period it was 12 to 9. A sensational run by "Smile" Lawson decided the issue in the final quarter. He had been fumbling frequently, but made several runs for good gains. The crucial moment came when Gall caught Williams' long punt on the fifteen-yard line. He passed the ball to Lawson, who raced to the other end of the field, getting by man after man, and crossing Queen's goal line to lay the ball between the posts.

A drop kick a little later by Dixon from 30 yards out added three more points, and the game ended 21 to 9 in Varsity's favor. The teams were:

Varsity—Full, Dixon; halves, Gall, Newton, Lawson; quarter, Foulis; scrum, Gage, Bell, Ritchie; inside wings, Muir, Kingston; middle wings, Hume, Lajoie; outside wings, Park, Thompson.

Queen's—Full, Williams; halves, Campbell, Leckie, Moran; quarter, Moxley; scrum, Clark, Overend, Kinella; inside wings, Gallagher, Lloyd; middle wings, McKay, Erskine; outside wings, Elliott, Smith.

Referee, George Ballard, Hamilton; umpire, Richard Harcourt.

Queen's played an aggressive game, went down to defeat at the hands of Varsity, and penalties were numerous. They kicked vigorously against Referee Ballard's decisions, especially on Var-

sity's first try. Williams at full was a star, he cleverly outpunting Gall, but the latter gave a fine exhibition of running in the latter stages of the game.

M'GILL BEAT OTTAWA.

Ottawa, Nov. 7.—Ottawa College went down to defeat at the hands of the McGill fourteen at Varsity Oval on Saturday, the final score reading 15 to 2, with the Montrealers on the long end. The match, which has no bearing on the championship, both teams being out of the running, gave McGill third place in the league standing, the local students being relegated to last position.

A crowd of nearly two thousand witnessed the match. The visitors had plenty of supporters among the spectators, the ex-grads being on hand in full force. McGill piled up a lead of 11 points in the first few minutes, this total being too much for College to overcome.

The game was very clean, not a man being forced to drop out, and while the tackling was hard, there were no penalties issued. McGill had a slight advantage in weight, but it was their superior half line which enabled them to pull out a victory. Time and again College had chances for a score, but an unlucky fumble or poor luck spoiled all chances.

McGill played a good game throughout, the team working far better than had been anticipated. College had a splendid line. Gilligan was very effective. His tackling, coupled with fast following up, was faultless. Quilty did most of the kicking for the locals, his long hoists helping time and again. Conway got away for one fifty-yard dash, this being the longest run of the day. The teams and officials were:

McGill—Bryden-Jack, full; Lee, Ross, Douglas, halves; Forbes, quarter; Scott, Ayer, Turnbull, scrum; Bignall, Matheson, Gilmore, Dowling, Goodeve, Black, wings.

College—Conway, full; Quilty, Conway, Chartrand, halves; Muzanti, quarter; Fleming, Dubois, Loftus, scrum; Wibbels, Brennan, Gilligan, Breen, Smith, Belanger, wings.

Referee, Dr. Patterson, Ottawa; umpire, Savidge, Montreal.

## MORE WAGES.

Frick Coke Company's Substantial Christmas Gift to Employees.

Pittsburgh, Pa., Nov. 8.—An advance in wages of about 15% per cent, by the Frick Coke Company, of New York, and the company has been directed to take proceedings to reduce its capital stock from \$1,000,000 to \$250,000.

## CAPITAL STOCK.

Albany, N. Y., Nov. 8.—State Superintendent of Insurance Hotchkiss announced today that an impairment of \$639,860.58 had been found in the capital of the American Credit Insurance Co., of New York, and the company has been directed to take proceedings to reduce its capital stock from \$1,000,000 to \$250,000.

## LATE DOWAGER.

Pekin, Nov. 7.—The ceremony of burning offerings of the costliest nature was held yesterday in memory of the Dowager Empress of China, who died twelve months ago. The Chinese Foreign Board has issued a thousand tickets to foreigners who will witness the start of the funeral procession to-morrow.

## SOCCER

The weather on Saturday was ideal for the soccer games. Both games had good attendances, and that between the Westinghouse and Scots was an exhibition well worth seeing. The game between the Independent Labor Party and the Sons of Scotland was not up to expectations, as the S. O. S. were a little off color and played poorly.

In the game between the Westinghouse and Scots, when the teams lined up, it was apparent that the teams were evenly matched and the game verified the expectations of the onlookers. The Westinghouse were very little better than the Scots. When the ball was put in motion the Westinghouse gained possession and kicked it across the field, but the pass was a poor one and resulted in only a gain of a few yards, and gave the Scots possession. They, however, did not keep it long, for the early passing of both the teams was not of the best and the ball frequently changed hands. The play was on Westinghouse ground for the first few minutes, but the Scots gradually weakened until the play was on their own ground. The first half was drawing to a close when a long kick gave White, of the Westinghouse team, possession of the ball and a straight kick by him put it between the posts, making the opening score 1-0 in favor of Westinghouse. No other scores were made during the remainder of the first half.

In the second half the Scots were fresh and strong, and it appeared as though they would soon tie the score, but the Westinghouse players for a time contented themselves with keeping the goal clear. The Scots soon tired of the strenuous work and were gradually forced back upon their own ground. The score remained unchanged until near the end of the game, when Thoms, of the Westinghouse, managed to kick a goal and the final whistle sounded a few minutes later. The final score was 2-0, in favor of Westinghouse.

The game between the Independent Labor Party team and the Sons of Scotland was a disappointment. It was thought that the S. O. S. team would be strengthened. The Labor Party team played good, but with little opposition in the latter half. In the first part of the game the S. O. S. worked hard, but could not score. They were fortunate, however, in checking the I. L. P. The vim of the S. O. S. gradually died down and the I. L. P. kicked goal after goal and when the final whistle sounded the score was 6-0, in favor of I. L. P.

## SHIPS OF ITS OWN.

Grand Trunk Line to Build Its Own Pacific Fleet.

Victoria, B.C., Nov. 8.—That the Grand Trunk Pacific Steamship Company has no intention of buying the steamers of the Allan Line or other vessels of any line, but will build a thoroughly up-to-date line of modern passenger and freight steamers for its own use, to start service between Prince Rupert and the usual ports of call in the Orient as soon as the Grand Trunk Pacific Railroad is completed and ready for service, was the statement made by William McLaughlin, second vice president of the Grand Trunk Pacific Company, now in the city.

## IMMANUEL.

Mortgage on the Church to be Burned This Evening.

Largely attended anniversary services were held in Immanuel Congregational Church yesterday morning and evening. The interior of the church was artistically decorated for the occasion with a large variety of plants. At the morning service the speaker was Rev. Ernest H. Tippet, pastor of First Congregational Church, who had for his topic "The Purpose of a Church," taking for his text "I saw no temple there." (Revelations xxi. 22). He pointed out that there was no church in the view of the ideal city as seen by John. Why was this, asked the speaker, and in answering said that the vision as seen by John was a view of the time when the work of the church would be finished. He then went on to explain that the work of the church was to further the kingdom of God, and as long as there was evil in the world there would be work for the church to do. In closing, he pointed out the vision as seen by John was a view of the time when the church should undertake its work.

In the evening Rev. T. DeCourcy, pastor, the pastor, preached an interesting sermon on the resemblance of a church congregation to a basket of fruit. He pointed out that every person, like the seed of the summer fruit, had their work to do, and it was necessary to do it at once as all would soon decay.

A pleasing feature of the services was the special music provided by the choir and others.

The anniversary party will be held this evening in the church when the burning of the church mortgage will take place. Mayor McLaren will apply the match.

## Epps's Cocoa.

It is an obvious fact that certain names of firms and their productions are indelibly engraved upon the public mind all over the world. One of these is that of "Epps's," which is instinctively identified with cocoa. For more than a generation the world has been recognizing that Epps's cocoa is "grateful and comforting." The utterance of this phrase is associated only with this particular cocoa—"Epps's"—and this is not surprising for it is composed of the highest-grade of cocoa and the finest sugar. It contains a remarkable percentage of cocoa-butter, a vitalizing substance which increases strength, and is an effective cold restorer. Children thrive on Epps's cocoa, and it is so easy to make.

## MILLS ON SHORT TIME.

New Bedford, Mass., Nov. 8.—The curtailment in cotton cloth production adopted by most of the mills of New England was begun to-day in all the mills of this city, with the exception of the Whitman Corporation. Each day's working time is to be shortened twenty minutes, making the weekly hours of labor 56 instead of 68. By this method the curtailment will be about 31.2 per cent. of the regular production of cotton cloth. About 17,000 operatives are affected.

A boy's idea of politeness is not to ask for a second piece of pie, but there are mighty few polite boys.

## SAD TRAGEDY.

Chicago Woman Takes Baby in Arms and Turns on Gas.

Suicide Attempt Once Before Frustrated by Older Child.

Chicago, Nov. 8.—"Dear John: I have taken the little lamb with me. Good-bye to all."

After writing this note to her husband and sending her older daughter, Edna, 10 years old, to school with instructions not to return home for lunch, Mrs. Mary Cels, 38 years old, wife of John Cels, 2533 Cornelia street, turned on the gas in her bedroom and killed herself and her other daughter, Irma, 13 months old, on Friday afternoon. Nine months ago Mrs. Cels tried to kill herself with gas, but was rescued by Edna. She had been ill and despondent for the last year.

Mrs. Cels apparently carefully planned her act, as two days ago she purchased a black dress and black ribbons for Edna, with instructions to keep them clean for future wear.

In the morning, Edna said, her mother told her not to return home for lunch, and gave her money to purchase her meal. As the Lafayette school, where she attends, is but two blocks from her home, she asked why she should stay away.

"Now run away to school, dear, and don't come back, because I have lots of house work to do," was the answer received.

It is believed that Mrs. Cels retired to her bedroom as soon as her daughter left for school and turned on the gas after placing her infant on the bed, where both bodies were found.

Martin Schulzmeier, a milk man, went to the door at 2:30 o'clock in the afternoon and detected the odor of gas. He notified neighbors, and Mrs. Bertha Wahl, living on the second floor in the house, procured a step-ladder. Schulzmeier climbed in a window and found the bodies.

Dr. W. H. Berard, 1107 West Chicago avenue, was called and said both mother and daughter had been dead several hours.

## NINE KILLED.

Fatal Explosion in New York Cork Factory To-day.

Many Also Injured by Leaping to the Ground.

New York, Nov. 9.—Nine persons were killed and nearly a score of employees injured in an explosion and fire of the cork factory of Robert Morrison & Co., Columbia street, to-day. Ambulances were summoned from several hospitals to care for the injured.

The explosion occurred in the basement of the factory, but the flames spread rapidly, causing the fifty employees to stampede to the fire escapes and rooftops. By William W. to the ground and were injured, while others were carried down to safety. Four alarms were sounded in an effort to prevent the fire from spreading to the thickly populated tenements on the neighborhood. The inflammable cork material sent up dense clouds of suffocating fumes and the frightened employees began to leap from the windows. Robert Morrison, one of the proprietors, was found badly burned and unconscious in the hallway. The firemen rescued many of the employees with the aid of ladders.

## STRONG FAITH.

Permitted Himself to be Run Down by a Trolley.

Deliberately Threw Himself in Front of the Car.

Mobile, Ala., Nov. 7.—J. C. Wilson, a young man living with his family at 1,630 Arabella street, who was run down by a trolley car, says that he had purposely permitted himself to be run into by the car, in order to establish and strengthen his faith in Christian Science. The remarkable part is that he escaped with a few bruises.

"It was a fine test. Everybody must work out his own salvation. If you are going to write anything about it, say that it was an unselfish motive that prompted me to throw myself in front of the car. It was to demonstrate over fear. Would it that if you do not want to mislead the public," declared the injured man to a reporter.

When incredulity was expressed, Wilson stated that the facts in the case ought to show that he was sincere. It seems that the young man had been an ardent pupil of Mrs. Eddy for some time, and just recently decided to become a teacher of the doctrine. He declared that the idea of letting the car run into him did not strike him until he heard it approaching. Then he said that a premonition came to him that if he stood still on the track he would not be injured. He insisted that he had not the slightest fear, and when the crash came he was so completely under the scientific control that he experienced no suffering, though he was knocked down and rolled in front of the car for some distance before it could be brought to a standstill by the motorman. Wilson will get well.

## HIGHEST FOOD-VALUE.

Epps's Cocoa is a treat to Children. A Sustenance to the Worker. A Boon to the Thrifty Housewife.

## EPPS'S COCOA

BREAKFAST SUPPER

In strength, delicacy of flavor, nutritive value and economy in use "Epps's" is unsurpassed.

Children thrive on "Epps's."

## OBITUARY.

Very Large Attendance at Funeral of Marshall Lyons.

One of the largest funerals ever witnessed in the county of Wentworth took place yesterday afternoon at 2:30 when the remains of the late Marshall Lyons were laid at rest in Rock Chapel burying grounds. Owing to the church being closed for repairs the services were held in a tent on the lawn at the late home of the deceased, and were conducted by Rev. Charles A. Cavers. The six sons of the deceased acted as pall-bearers and the funeral was attended by over three hundred friends, it being necessary to have two hundred vehicles. Deceased was a well-known resident of Wentworth County, and will be missed by a large circle of friends.

The funeral of the late William John White took place from the Free Mission Hall, 102 Catharine street north at 2:30 on Saturday to Hamilton Cemetery. Messrs. M. S. Benn, E. A. DeMille, B. E. Stevenson, and T. L. Fletcher conducted the services. The pallbearers were Rufus Stewart, Samuel Tweedie, Peter Sharp, C. Wales, J. Isaac Lake, and John Wardell. A large number of friends of the deceased were present and numerous floral tributes were laid on the casket.

The death of Johann Rose, wife of George N. Smith, 143 Picton street east, took place on Sunday morning at the age of 82 years. She was a native of Scotland, and came to Canada about 60 years ago. She was married in Montreal where she resided until 1887, when she settled in Hamilton and resided ever after placing her infant on the bed, where both bodies were found. The funeral will take place on Tuesday at 2 p. m. to Hamilton cemetery.

The remains of the late Mrs. Anna C. Nash were laid at rest in the Stoney Creek burying grounds at 2:30 o'clock this afternoon. The funeral took place from her late residence in Saltfleet and was attended by a large host of friends of the family. Rev. J. A. McLachlin, Stoney Creek, officiated.

## WON'T DEBATE

Until Ottawa University Debaters Apologize.

(Special Wire to the Times.) Kingston, Ont., Nov. 8.—Queen's debaters have decided to withdraw from the Intercollegiate Debating Union until the executive of the union shall see that satisfactory reparation is made to Queen's for the insult offered last December by the Ottawa University debaters. On that occasion the Ottawa debaters published an open letter in the press alleging that in the debate in Kingston the judges had shown partiality, also that the lights in the hall had been switched off to confuse the Ottawa debaters. The Alma Mater Society of Queen's is backing up the debaters.

## INFANTICIDE.

Woman Charged With Making Away With Her Children.

(Special Wire to the Times.) Belleville, Ont., Nov. 8.—Frances Beaverstock, the unmarried woman from Tyndinaga, who was arrested on Friday and brought here charged with infanticide, three of her children being unaccounted for, was this morning remanded until Monday, Nov. 15th, when her preliminary trial takes place before Magistrate Masson. The case is the main topic of conversation here.

## HE WILL DIE.

Kinward's Detroit Wife With Him in the Hospital.

Detroit, Mich., Nov. 8.—At St. Mary's Hospital early to-day it was said there was no chance for the recovery of John R. Kinward, shot Friday evening when he attempted to escape from Detective Bodine, who had arrested him on a bigamy charge. Kinward cannot survive the day, it is said. Kinward's first wife with child lived in Dundas county, Ontario. His Detroit wife, who caused his arrest, has been with him the greater part of the time since he was taken to the hospital. Kinward is 24 years of age.

## NEW TREATY.

Frontiers Dividing Brazil and Uruguay—Free Navigation.

Rio Janiero, Nov. 8.—A treaty has been signed by Baron Rio Branco, Uruguayan minister to Brazil, defining the frontiers between Brazil and Uruguay at Lake Mimim and the Jaguarao River. The new frontier runs in the Median line of the lake instead of along the Uruguayan shore and along the Thälwerg or valley of the Jaguarao, instead of along the southern bank. Uruguay is accorded free navigation between the lake and the ocean by the Brazilian waters of Samgano and the Rio Grande.

## KING MANUEL.

Visit to King Edward and Young Miss Fife.

Madrid, Nov. 8.—King Manuel of Portugal, who is on his way to London to visit King Edward, arrived here to-day, accompanied by a large suite. His Majesty was received at the station by King Alfonso, and escorted through the palace through double lines of troops.

## RIOT AT BULL FIGHT.

Lima, Peru, Nov. 8.—Several persons were killed and many injured here yesterday in a small riot at the side of the bull ring when a scheduled fight between a lion and a bull turned out a fiasco. The police charged the rioters and on meeting opposition fired into the crowd.

## Stanley Mills & Co., Limited

Modday, Nov. 8th, 1909

Spot cash! The rock foundation upon which this business is built is cash—the only absolutely safe foundation for any commercial enterprise.

Twenty-two years ago we laid this foundation and we have adhered to it ever since. We do not know what it is to give credit to anyone at this store—in fact, we are seldom asked to charge goods and if you were to request it, we would politely decline to do so. It is a wonderful position to be in—absolutely the strongest commercial position in the world.

Depend upon it you're safest dealing at a cash store. You know then that you are not paying some other person's bad debts, you know then that you are not contributing towards an expensive and unnecessary staff of bookkeepers. The absolutely cash store is the only safe store—the only store that can and does mark its goods at rock bottom prices.

The credit system is a foolish, wasteful way of conducting a business. Happily it is becoming obsolete.

STANLEY MILLS & CO., LIMITED.

## 19c TUESDAY IN THE BASEMENT

A special day in the Basement must mean something out of the ordinary for the thrifty housewife. Tuesday a one-price day has been arranged for in the basement. Don't fail to take advantage of such a bargain event.

## 19c

Is the price for this Kitchen-ware. Look over the list.

Galvanized Water Pails.  
Steamers, No. 7 or 8.
