VALUABLE TESTIMONY INTELLIGENCE OFFICE, 102 Princess Street. Mesers. Hanington Bros.:

Gentlemen—Three years ago I was going to write you how much benefit I received from taking two bottles of your Ouinine Wine and Iron, being then very weak and low, with no appetite for any sort of food, after a severe attack of Eryappelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had recourse. to the Quinine Wine and Iron scaln, with the same beneficial results.

While I was taking it last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottless of HANINCTON'S Quinine Wine and Iron with you, and if you are not able to earn the seven dollars, I will pay you for the medicine. At the end of the menth she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after Sickness by strengthening and building up the system.

Yours very truly,

JANE A. LEE. September 3rd, 1883. New Brunswick Railway Co
