What Has Transrired at the The Coercion Debaters Have a Very Lively Session. United States Capital.

From our Special Correspondent. WASHINGTON, D. C., April 8th, 1887.

Since I last wrote you, the five gentlemen who compose the new Inter State Commerce Commission arrived in the

LONDON, April 15.-Sir William Vercity, talked over preliminaries, visited the President, interviewed Secretary Lumar, received their Commissions, cook on Harcourt, resuming the debate on the Coercion Bill in the House of Com the oath of office, inspected their mons this afternoon, said the present porary quarters, took possession of them, elected their chairman, and entered up alliance between the Liberals and Parnellites was based on the Liberal recognion their new duties. So, what the country has long been

tion of the fact that the wisest policy in clamoring for is now an accomplished fact. But while the new court will be Irish affairs lay in the acceptance of able to remedy some evils in current transportation methods, it is pretty cersome form of Jrish government which would tend to satisfy the Irish people. tain not to do so great an amount He twitted Lord Randolph Churchill good as is anticipated from it by all sorts of reformers who think that everything and Mr Chamberlain with having secretly consulted Mr Parnell, seeking to can be regulated by law. The President of the Commission

make an allianc with him for their own Judge Cooley, a Michigan Republican. purposes. Referring to the conspiracy His election was predetermined. It was and White Boy clauses of the proposed understood by the other members the act. Sir William declared that they sap-President wanted him to be at the head and they acquiesced in his choice with- ped the foundation of all personal liberty out discussion, admitting that the Judge and would even debar Irishmen from knew more about law and railroad forming business combinations to defend matters than all the others put together. their existing rights. The spirit in

As the board is now made up and organized, (it consists of three Democrats which the Government would administer and two Republicans, one of which is the Coercien Act, if it were passed, was chairman) when it fails to satisfy ship-sufficiently shown in the appointment pers-as it is almost certain to do-the Democratic House can divide the mary Undersecretaryship for Ireland. coming growls with the Republican Senate, and the Democratic majority of By this appointment the Government the Commission can plead that the work had declared themselves to be the partiwas directed by a Republican chairman. To appoint a majority of Republicans on sans of the landlords, and determined to administer the hill as the agents of the Commission would have been a shrewd move on the part of the Presi- land owners in Ireland, thus becoming dent, but the next wisest thing was to instruments to stimulate the worst pass give the Republican party the manageions of the people and their bitterest rement of it and the responsibility attachligious prejudices. The bill would fail

ed. Probably no appointment of President t suppress the Irish National League, Cleveland's since the fourth of March, because the people of Ireland believed 1885, has given more general satisfaction than that of Mr Fairchild to be Secrein the league and trusted it. The effect of the enforcement of the bill would be tary of the Treisury. It is in the direc line, too, of civil service reform-a proto make the Government more detested motion for real merit. The new Cabinet and the League more popular than ever. officer is very popular at the Treasury As to the Tory and Liberal-Union taunts Department, as is also Judge Maynard. abcut American gold fostering Irish disthe Second Comptroller, who takes the place of Assistant Secretary. When their promotions were authoritatively none who have less reason to complain need these two officials were over of American gold than the Irish landwhelmed with concratulations. The lords, for none get more of it. They get rush was so great that Mr Fairchild was forced to ask all callers to desist until a it through their poor tenants' rents.' certain hour, when both gentle.nen gave The proposal to make the bill themselves up to hundshaking with the hundreds or employes of the Departpermanent, Sir William characterized as a breach of the fundamental

Mrs. Fairchild, the wife of the new conditions of the union between Ireland Secretary of the Treasury, and the first and Great Britain. The Government ady of the Cabinet, is a quiet cultivated professed to reverence this union, but lady, with retiring and gracious manners, were doing their best to violate it. If one whom it will be a pleasure to regard the Government earnestly desired to as a leader. She is a niece of the late Governor Seymour, of New York, and maintain the union let them abandon the the family, being in mourning, have not policy of exasperating the Irish people gsne much into society since they came and adopt the policy of justice and conhere. They live in a rather modest i house in the fashionable West End, and ciliation. (Cheers.)

Major Saunderson (Conservative) said Mr Sexton rose to a point of order and until recently that they decided to keep the National League was supported the Speaker advised Mr Sanderson to mainly by criminals, dynamiters and withdraw the offensive expression. out of office with Secretary Manning

Mr Healy rose to a point of order.

Wanted, a woman : Healthy and well-Maj. Saunderson replied that Sheridan Maj.
