The Halifax School for the Blind

TO GIVE CONCERTS HERE.
On the Florizel to-day, there was amongst the passengers Mr. John Weir, Secretary of the Halifax School for the Blind, and a concert party consisting of ladies and gentlemen from the Institution. It is proposed to visit a number of outports during the present month with a view to demonstrating the educational advantages of the School, and extending them to some of our blind who at present are without them. With the party is Miss Flossie Johnson, one of our own young ladies from Catalina. She has a charming and carefully cultivated voice. The other members of the party are all proficient in their special talents and the concerts will be in every way enjoyable. Concerts will be given in the College Hall on Monday and Tuesday next under the distinguished patronage of His Excellency the Governor and Lady Davidson.

A Deal-Laden Barque at Langlade.

The foggy weather along with the deceptive currents on the South West Coast seems to be a menace to shipping this summer. Yesterday Mr. Tasker Cook received this message from St. Pierre:—
Norwegian barque Inger, 1360 tons, Capt. Mathieson, deal-laden from Pugwash for Sharpness, England, stranded yesterday, 17 in crew, all saved. The master returned to the wreck with a tug. Will report later. Possibly total wreck. Consider position bad.
Mr. Cook had a later wire reading: "Just back from wreck. Weather stormy. Could not take crew, who are on shore. Vessel in bad position. They report two more Danish barques, deal-laden, stranded yesterday on west coast of Langlade. Names and particulars unknown. Details later."
Mr. Saunders, Supt. of the Anglo-American Co., was in receipt of the following from St. Pierre:—
"Arrived from Point West, Langlade. Owing to heavy sea could not reach Inger. Senechal from Anse aux Soldats also arrived on tug. He reports two more vessels ashore at Langlade. Both are three masted vessels about 400 tons. Danish ships. Names not known."

TWICE WOUNDED.—Private Edmund F. Shea, son of Mr. J. P. Shea, 47 Hamilton Street, City, who is now in the 5th London Stationary Hospital, suffering from shrapnel wound in the left leg was all through the Gallipoli campaign where he received a gun shot wound in the right hip. It is hoped the young soldier will soon be restored to his former health, and that he will be given the opportunity of paying the Hun back in his own coin.
