**If a Testator**

although seeing the benefits to be derived from a Trust Com-  
 pany's administration, hesitates about cancelling any appoint-  
 ment he may have already made, the Montreal Trust Company  
 can be named to act with the Executor or Executors already  
 appointed. In this way the Trust Company co-operates with the  
 Testator's appointees in the administration of the Estate.

This plan is very acceptable when the Testator's wife is named  
 as Executor. Few women have the necessary business training to  
 enable them to carry on the administration of an Estate, but  
 with the co-operation of the Montreal Trust Company the Tes-  
 tator's wife can be appointed with full assurance that the Estate  
 will be well looked after.

One thing essential in your Winter Coat is **QUALITY**.  
 One has to wear their Winter Coat for many  
 months, and to stand against this you require the best  
 of material in it.

We have carefully selected our stock of Winter  
 Coatings and feel we have goods that merit your ap-  
 proval. You can purchase enough excellent material  
 to make a coat for \$24.00, and if you wish we can make  
 it up for you, and deliver the finished garment in a  
 week or less if necessary. The material is equal in  
 quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine  
 them, get samples and prices, compare with others, and  
 come back and purchase the goods.
