**Sore Throat, Cough, Cold,**  
 and similar troubles, if suffered to progress,  
 result in serious Pulmonary, Bronchial, and  
 Asthmatic affections oftentimes incurable.  
**Brown's Bronchial Troches**  
 are compounded so as to reach directly the  
 seat of the disease and give almost instant re-  
 lief. The Troches are offered with the fullest  
 confidence in their efficacy; they have been  
 thoroughly tested, and maintain the good re-  
 putation they have justly acquired. For  
 Singers, Military Officers and those who over-  
 tax the voice, they are useful in relieving an  
 Irritated Throat, and will render articulation  
 easy. To the soldier exposed to sudden  
 changes in the weather they will give prompt  
 relief in Coughs and Colds, and can be carried  
 in the pocket to be taken as occasion re-  
 quires. Sold at 25 cents a box.  
**Thirty Years' Experience of an  
 Old Nurse.**  
 Mrs. Winslow's Soothing Syrup is the pre-  
 scription of one of the best Female Physicians  
 and Nurses in the United States, and has been  
 used for thirty years with never-failing safety  
 and success by millions of mothers and chil-  
 dren, from the feeble infant of one week old  
 to the adult. It corrects acidity of the stom-  
 ach, relieves wind colic, regulates the bowels,  
 and gives rest, health and comfort to mother  
 and child. We believe it the best and surest  
 remedy in the world, in all cases of Dysentery  
 and Diarrhoea in children, whether it arises  
 from teething, or from any other cause. Full  
 directions for using will accompany each bot-  
 tle. None genuine unless the fac-simile of  
 CURTIS & PERKINS is on the outside  
 wrapper. Sold by all Medicine Dealers  
 Price, 25 cents a bottle. Office, 215 Fulton  
 Street, New York; and 205 High Holborn  
 London. Be sure and call for MRS. WIN-  
 SLOW'S SOOTHING SYRUP. All others  
 are base and dangerous imitations. 722

**WORKS OF NATURE.**  
 In a state of health the intestinal canal  
 may be compared to a river whose waters  
 flow over the adjoining land, through the  
 channels nature or art has made, and im-  
 prove their qualities; so long as it runs on  
 smoothly the channels are kept pure and  
 healthy; if the course of the river is stopped,  
 then the water in the canals is no longer pure,  
 but soon becomes stagnant. There is but one  
 law of circulation in nature. When there is  
 a superabundance of humoral fluid in the  
 intestinal tubes, and coventness takes place,  
 it flows back into the blood vessels, and in-  
 dures itself into the circulation. To estab-  
 lish the free course of the river, we must re-  
 move the obstructions which stop its free  
 course, and those of its tributary streams.—  
 With the body, follow the same natural prin-  
 ciple—remove the obstructions from the bow-  
 els with Brandreth's Pills, which never in-  
 jure, but are always effectual for the perfect  
 clearing of the system from foulness or dis-  
 ease. Remember, never suffer a drop of  
 to be taken from you. Evacuate the  
 bowels as often and as long as they are de-  
 teriorated as long as you are sick. See that  
 BRANDRETH'S is in white letters in the  
 stamp. Sold by all Drugists.

**REMOVAL,**  
**WM. C. TAYLOR**  
 Veterinary Surgeon,  
 RESPECTFULLY thanks his numerous  
 patrons for the liberal support he has re-  
 ceived since his residence in Guelph, and  
 begs to inform them and the public generally  
 that he has removed to Waterloo Road, near

**THE RUSSELL WATCH!**  
 A FEW REASONS THAT MAKE IT SUPERIOR TO  
 ALL OTHERS.  
 1st—It proves itself a reliable time-keeper beyond all question.  
 2nd—The RUSSELL WATCH being made on correct and scientific principles, it must follow as a  
 natural consequence that it will keep time.  
 3rd—Each part of which the RUSSELL WATCH is composed is a reflex of the perfect machine  
 which, under skilful direction, it is produced.  
 4th—Truth is the essential of each part.  
 5th—Uniformity and conformity must therefore characterize the several parts in fulfilling the pur-  
 pose for which they are made and brought together.  
 6th—Reproduction, as regards watch work, is simply an application of the principle that "things  
 which are equal to the same things are equal to one another," and if there is any merit, the RUSSELL  
 WATCH possesses that merit to a demonstration.  
 7th—The greatest variety of price, quality and size, that confidence and perfection will admit,  
 afforded by the RUSSELL WATCH.  
 8th—The RUSSELL WATCH stands pre-eminently above all competitors for public favor and  
 patronage.  
 9th—Proofs of the foregoing—the universal testimony of all Watchmakers who have sold, and the  
 positive statements of the thousands in Europe, the United States and Canada, who have worn the  
 RUSSELL WATCH.

**TESTIMONIAL.**  
 To Robert Cuthbert, Watchmaker, Wyndham Street, Guelph.  
 If Society was as perfect in its organization, and was as obedient to the dictates of truth as the  
 RUSSELL WATCH I bought from you is in indicating time, evil would be swallowed up in  
 good, and happiness would become monotonous.  
 G. RENNIE, Guelph
