SATURDAY EVENING, NOV. 9, 1872

Editorial Items.

THE REFORM BANQUET.—The Globe states that the Reform banquet to be held in Toronto is postponed to the day of the opening of the Ontario Legislature next month.

Iron is falling in England. Recent advices report another reduction in North Staffordshire, of £2 per ton. A similar reduction is made in South Staffordshire, and in Monmouthshire and Wales the ironmasters have issued preliminary notice to the workmen for a reduction in wages in consequence of a decline in iron.

St. Andrew's Society.

The annual meeting of the Guelph Town and Township St. Andrew's Society was held on Friday night in the Town Hall. The attendance was very good.

The Secretary, Mr. Alex. Mackenzie, read the minutes of last meeting, and the annual report of the managing committee. The committee congratulate the members on the continued success of the Society.

Belief was afforded during the year to 13 applicants, principally persons desirous of joining their friends who resided at a distance. There is now a balance in hand, in favour of the Society, of \$50.30.

The following officers were elected for the current year:—
PRESIDENT.—David Stinton, M. P.

VICE-PRESIDENT.—James Innes.
SECRETARY AND TREASURER.—John Anderson, bookseller, Mr. Mackenzie declining re-election.

CHAPLAINS.—Rev. Dr. Hogg and Rev. Mr. Wardrop.

PHYSICIAN.—Dr. Cowan.
AUSTRIANS.—Messrs. R. Euelam, R. Mitchell and A. Piper.

CHARITABLE COMMITTEE.—Messrs. Andrew Armstrong, Jas. Gow, Hugh Walker, Jas. Cormick and R. Melvin.

COLLECTORS.—North Ward, C. Thain and J. W. Petrie; South Ward, D. Kennedy and Wm. Hoyer; East Ward, John Anderson and A. Congalton; West Ward, Wm. Mitchell and John Risk.

GENERAL COMMITTEE.—Same as last year.

It was resolved that the annual celebration take place on the 29th inst., the 30th coming on Saturday.

After some conversation, a committee was appointed to obtain information, and report at an adjourned meeting, to be held on Monday night when it will be decided whether "The Day" shall be celebrated by a supper and ball or by a dinner.

The President elect then took the chair and thanked them for the honour conferred on him. Votes of thanks were passed to the retiring President and Secretary for the faithful and efficient discharge of their duties, after which the meeting adjourned.

Wellington Fall Assizes.
Saturday.
ROBERTSON vs. WATSON.—This is an action of ejectment in which the plaintiff seeks to recover a small piece of land on both sides of the river at Fergus, but which the defendant claims as belonging to his tenancy property. Hon. J. Hillier, Cameron and Mr. Drew for plaintiff; Hon. M. C. Cameron and Mr. Oliver A. Macdonald for defendant. The case is being tried without a jury.

The Rival Railway Schemes.
The County Council of Peel met at Burlington on Saturday to submit the Credit Valley Railroad By-law for \$70,000 in accordance with petitions. Deputations from Hamilton as well as Toronto were present. From Toronto were G. Baidlaw, C. F. Campbell, Robt. Hay, Capt. Gardner, Alderman Baxter, J. L. Morrison and F. C. Caproel. From Hamilton, the Mayor, and Messrs. Daynot and John Smith. The Mayor of Hamilton addressed the Council in an excellent speech, stating the merits of the Hamilton and North-western scheme. He said that they were present to secure the signatures of the Reeves and Deputy-Reeves for the submission of a By-law in favour of their road. He was followed by F. C. Caproel on behalf of the Great Western interests, and by Alderman Baxter, urging and defending the interests of Toronto. The Mayor of Hamilton did not commit himself to either the Georgetown or Brantford route, as the question was still unsettled. The By-law in favour of the Credit Valley Railway was then submitted, and the question of gauge being raised, in response to a question from the Chair, the President of the Credit Valley Railway said the gauge adopted was the four feet eight and a half.

THIS MORNING'S DESPATCHES

The Presidential Election.

The Horse Epidemic.

Committed Suicide.

Mr. Gladstone unwell.

Relief to Italians.

Baltimore, Nov. 8.—Corrected returns received to-night reduce Greeley's majority in the State to less than 1500.

New Haven, Conn., Nov. 8.—The horse disease has reached its height in this city. No cars are running.

Bruno Popp, a German musician, having just returned from Europe, on returning to his wife this evening whom he had left in this city, and on her refusing to live with him again, he blew his brains out.

London, Nov. 9, 6 a.m.—Mr. Gladstone will be unable to present at the Lord Mayor's banquet this year. Lord Granville will probably respond to the toast of Her Majesty's Government.

A Colonial question having arisen between England and Portugal, both parties have agreed to arbitration for its settlement, and have selected President Thiers as Arbitrator.

Steps have been taken in London to send relief to sufferers by the disastrous floods in Italy. Subscriptions have been opened, and quite a large sum already received.

Mr. David Scroggie, carpenter, fell off Mr. Ritchie's new building at Moorefield, on Monday last, receiving very severe injuries. One of his wrists was put out of joint, beside several bruises about the head and body.

AMONG our Merchants in Guelph, there are none perhaps so noted for thorough business enterprise as the celebrated Hardware Merchant, Mr. Jno. Horsman. Every season finds him ready for the particular wants of the time, with the best articles of what ever kind are required, and at the lowest possible prices.

OSBORN

25 First Prizes, 3 Second Prizes and two Diplomas, for 1871

At each competition the contests were keen, the leading Machines of Canada and the States being represented.

FIRST PRIZE

THE OSBORN is warranted for three years, will do every variety of sewing, and the fact that it has carried off the highest awards at the Provincial, Central, Western, and other leading Exhibitions, which no other Machine in Canada has yet done, attests its superiority over all competitors.

SEWING MACHINE!

Give "THE OSBORN" a trial before purchasing any other; you are certain to be pleased with its work.

Beware of cheap, flashy machines claiming to have received first prizes. No leading show this season have they carried any. Competent judges have declared them unworthy, both as regards principle of construction, material employed, and work performed.

Machines given against easy terms of payment. AGENTS and others in want of employment during the winter will do well to give us a call. Chances to make money unprecedented.
