LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs, and was given up by physicians. A neighbor advised me to try Dr. Thomas' Electric Oil, stating that his wife had used it for three months with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured me. I certainly believed it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me any good."
