Mona, Man, Mar 30 (Special.)—Mr. Cornelius Hansen, well known and highly respected here, is telling his friends of his simple but complete cure from a protracted illness. The facts in brief are: He had Kidney Disease; cured him. But let Mr. Hansen tell wn story.

"I was troubled with my Kidneys for back was so sore I couldn't get out of bed in the mornings. I tried medicines, but they did me no good. Then I me neighbor, and he advised me to try Dodd's Kidney Pills. He said he had time and they were a great medicine.

Mix two cups of granulated sugar with t cup of warm water, and stir for 2 minutes. Put 21/2 ounces of Pinex (fifty cents' worth) in a 16-ounce bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than killed Lemuel Peace, a young white man, anything else ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis, and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly Pinex is the most valuable concentrated

compound of Norway white pine extract, and is rich in guaiacol and all the natural pine elements, which are so healing to the membranes. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often

imitated. But the old, successful formula has never been equaled.
