Heck Given Ovation. Heck proved every bit as good as advance notices predicted, and was given a great ovation by the crowd. Doherty, who won the second game for Hamilton, was nearly as good. With a little better control he would nearly beat the London man, but the latter, with absolute control and a fine assortment of benders, was practically invulnerable. In the first game, Heck allowed but six hits, while Donohue was touched up for eleven. A little careless work on the part of Hamilton players was responsible for several of the five runs gathered by the visitors, but Hamilton could not have won any

In the first quarter the visitors outscored the locals by 4 to 1, but the play was more even in the second period, the half-time score being 6 to 2. In the third quarter, the best bit of lacrosse of the afternoon was played. In this period, London simply played the Telephone City stick-handlers to a standstill, and at the end of that quarter the score stood 8 to 7 in favor of the locals.

the locals. Goalkeeper Got Hurt.

The teams were playing 11 men a side ofter half time, owing to the retirement of Hutton, H. Fetterley going off to even up. In the third quarter, Shannon, the Brantford goalkeeper, was hit in the eye by a fast shot, and the optic was closed up, necessitating his retirement. To even up, Manager Brown Jackson, of the London team veteran of many a hard London team, veteran of many a hard lacrosse battle and at one time one of the best lacrosse players in this part of the country, went off, and his absence in the latter part of the game may have had something to do with the poor showing of the London defence in that period.

Hearns Did Some Scoring, When the final quarter opened, Hearns, of Brantford, evened up the score in 21/2 of Brantiord, evened up the scote in 172 minutes. Broley came back a minute later and put London in the lead again, but Hearns, who played a great game for the visitors all through, came back with two more, and put Brantford in London weakened from this time on and Hearns broke through the defence twice more before the game ended and gave Brantford a clear marended and gave Brantford a clear margin of three goals. Twice he broke through the whole London team, drawing Mooney out and then having only the open nets to confront him. The Stars.

For the locals, Penny, Anderson, Mooney, McKay, Holly, Aitchison, Broley and Brown Jackson were the stars, and had the game been played right through with the full twelve men London would have pulled out a victory. Jackson's experience made him a most valuable man on the defence, and with him out of the game, the London team seemed to be disorganized. The forward line worked all right, but the defence was a sieve, and the Brantford home players had little trouble in breaking through. The left forw. goal, that Hearns through.
