Largest Dealers in Western Ontario. Ingersoll Street To Be Improved

[Special to The Advertiser.] Ingersoll, Aug. 9 .- When proposed improvements have been completed d great transformation will have taken in the appearance of Thames street. For upwards of three or four years a number of the merchants have been hammering away unceasingly for improvements to the street, and it

would seem that their desire is a last to be gratified. At the next meeting of the council the recommendation of the board of works will be read that the contract for the proposed work be given Mr. Fred Hagar. It is proposed NN'S FISH MARKET-FISH OF ALL have cement curbs and gutters, which

will make a great change in the street For sixteen or seventeen years cobblestones have furnished a curbing that was more conspicuous than artistic. and this will be done away with There will be cement curb and gutters and it is expected that the change in the street will be so marked as to win general admiration.
