

Boxers Enter Tourney Arrange Wassa Soccer Semi-Finals and Finals

OUTSIDE ENTRIES FLOW IN TO BOXING TOURNEY

Nine More From Stratford and Woodstock With Five St. Thomas Men, Make Foreign Invasion Challenge To Local Talent.

Six entries from the Perth Regiment and three from the Oxford Rifles, added to the five entrants from St. Thomas who made their personal appearance at the executive meeting of the Garrison A. A. last week, tend to show just how big the organization's boxing program, which starts with a tourney on December 29, will go this winter.

Present indications are that the entries will have to be closed by December 16 or the tourney will have to be staged on two nights, with the preliminaries on December 29 and the finals in each event on December 30. This latter move, however, would prove rather expensive to the contestants and it will probably not be decided upon.

Local Units Backward. While the local units have made no entries, they'll be heard from before the entries close, as there are at least five strings, some of them working out already and some starting this week. W. O. R.'s have come out in the open with the largest contingent, but R. C. R.'s Second Machine

Officers of the club are as follows: Honorary president, Hon. C. S. Hyman; president, John Puddicombe; vice-president, J. Boucher; secretary, O. Reuchnitz; treasurer, T. F. Wilson.

No minor college game drew less than 10,000, the average attendance at these contests being 25,000.

Pittsburg, Nov. 26.—It became known here tonight that Head Football Coach Neale of Washington and Jefferson will not return to that team next season, and the place has been offered to Knute Rockne, coach of Notre Dame, at the salary above what he is receiving at the Indiana school, supposed to be \$7,500 a year.

The Hoosier man said his contract had two years to run at Notre Dame, and he would not ask to be released. With Notre Dame's consent, however, he indicated he would willingly accept the offer of Washington and Jefferson. It is said that differences have existed at Washington and Jefferson between Neale and the athletic council.

STOVE LEAGUERS' GOSSIP

That there is no intention of the Yankees securing a new manager, as reported after the world's series, is that there is any danger whatever yet of a manager resigning his position because of ill-health, is evident from a letter just received from the Yankees' manager, Miller, is now at a health resort at Milan, Ind. The mighty little or little manager, however, says he is planning to strengthen his team for next season.

According to reports, Miller is going to attend the meeting of the minor leagues at Louisville on Dec. 6. There are several promising players that he wants to secure—and he has several. Col. Huston is on deck—and he is anxious to get him. Colonel Huston is the importance of having a hooker with him.

Huston is not keen for buying minor league talent. He would rather go into the open market and buy what he wants for less than he would pay for a player who is a hooker.

There are no longer any Red Sox stars to be had, so the colonel, Higgins, his manager, and Ed Barrow, business manager, have to cast their eyes some where else—and right now the only chance of getting a new star is by way of the minors.

Harry Frazee, president of the Red Sox, denies the report that he is coming from the coast that he has signed Frank Chance as manager. He admits, however, that he is trying to trade him to the Yankees.

It develops that the Yankees haven't really got possession of Jake May, star southpaw of the Vernon Club of the Coast League. He won 35 games last season. The Yankees want him, and have been negotiating with him for some time.

Dr. Charles H. Strub of the San Francisco Club and President McCarney of the Coast League are still here trying to induce Manager McGraw to allow the world's champions to train on the coast this spring, but "Mac" is deaf to their pleading. President Strub is the chap who sold Jimmie Ketchum to the Seattle for \$75,000, and William Kamm to the White Sox for \$100,000.

Pat O'Connor, former Yankee coach, who managed the Albany Club in the last two seasons, has been engaged to manage Hartford.

Rube Oldham, the star Tiger twirler, who has been playing on the coast against big league orders, declares that he has quit the majors. If he has it will be a tough blow to the Detroiters.

A new league has just been organized in Philadelphia. It will be known as the Atlantic League and was organized by Ernest Landgraf, former owner of the Syracuse Club. The following cities have secured franchises—Trenton, Allentown, York, Harrisburg and Wilmington. The league is to be an eight-club affair, and several other applications have been made to complete the organization.

John Conway, tool of the new international league, has been elected president.

President Ebbetts of the Dodgers has gone to Clearwater, Florida, to arrange for his club's spring training.

There is a rumor to the effect that the Yankees have been ordered by the big chiefs of baseball to get rid of Carl Mays, but the owners of the team deny it.

SOUTH C. I. ELEVEN GO TO WOODSTOCK

Play Woodstock College Wednesday—Finals Saturday.

The winner of this tilt will meet Windsor C. I. winners of the border team are quite willing to play the "coin" decision.

This is the first year of "Wassa" soccer, and it should grow to big proportions next year. Because it has a wider range of play, it is more sure in time to replace this competition, which for so long has been the only serious football game between high schools and colleges.

A big field is open to the "Wassa" soccer series, and it is hoped that the high schools and colleges play some unusually good football.

ABS and—HOLDS

George Engel, who has had Harry Green under his thumb for twenty-two months, declared today that he has made over \$100,000 for Grab.

Now Engel is trying to break away from Tom Gibbons in the Garden, \$10,000 for winning the light heavyweight title from Gene Tunney, \$3,000 for fighting Tommy Leachman.

Dave Rosenberg, the Brooklyn middleweight, will have to go through with fifteen-round bout with Mike O'Dowd for the middleweight title of New York State at the Rink Sporting Club, Brooklyn on Thanksgiving afternoon.

Dr. Jas. Thompson, the club physician, examined Rosenberg yesterday and decided that he will be able to fight O'Dowd.

Joe Woodman, manager of Mel Conagan, the Brooklyn lad, who is now fighting in Australia, has received a cablegram informing him of the fact that Conagan has been released from the Rink Sporting Club, a foul from Pat Bradley, the Australian brawler, in the eleventh round of their twenty-round bout at Sydney.

Conagan has been matched for another fight in Australia. He was signed up at the Rink Sporting Club, Sydney, in a twenty-round bout at Sydney on Thanksgiving night. Conagan was beating Bradley badly when the latter fouled him.

Harry Blaufuss and Frank Black, the Newark fight promoter, have secured a lease on the first Regiment Armory at Newark. Mickey Walker, welterweight champion, is scheduled to fight Jimmy Kelly, the Harlem welterweight, in the first show there on Dec. 11.

Freddie Jacks, the English fighter, who lost a decision on a foul to Harry Grimes, the Australian fighter, in the fifteenth round of their twenty-round contest at Sydney, Australia, a week ago, has been rematched to fight Grimes in another twenty-round contest at Melbourne on Dec. 2.

Jack Britton, former welterweight champion, and Eddie Fitzsimmons, the Harlem lightweight, are at present at Dover Plains, N. Y., where they will take a rest for about three weeks. Britton is getting much stronger, but will not start fighting again for at least three months.

A match has been clinched between Mildred Smith, the New York bantamweight, and James White, the fast little fighter of Albany. They will come together in the main go of ten rounds, a show to be staged by the National A. C. of Detroit, Mich., on the night of Dec. 8. Smith recently bested Young Montreal in a ten-round bout in the same city.

BARTLEY MADDEN WINS.

U. S. MIDDIES GET INTO HOT WATER

Hilarity After Football Game Brings Investigation.

Washington, Nov. 27.—Rumors that an official investigation would be made of the alleged conduct of the students of Annapolis Naval Academy following the annual football game between the Army and Navy Saturday was confirmed today by Secretary of the Navy Edwin Denby.

Secretary Denby, in a statement today, said:

"My attention has been called to the misconduct of a number of midshipmen from the naval academy on Saturday night last after the Army-Navy game. I have no desire to minimize in any way the fact that many of the midshipmen did disgrace themselves and bring discredit upon the naval academy, for I know it to be true. I am shocked beyond example to learn that such conduct could have occurred. The misconduct on that occasion was, as far as I know, the first of its kind ever charged against the academy. How many midshipmen drank heavily, I do not know, but it is a disgraceful thing in Philadelphia. Only a relatively small proportion of the regiment attended the ball. Of this proportion, I think the great majority conducted themselves with propriety, but enough failed of their duty to bring shame upon the academy and to their country to bring shame upon the nation. Such an occurrence will never be repeated, for such steps will be taken as to make it impossible in the future.

In this connection, I wish to make it quite clear that the naval academy will hereafter be held to the same standard of good conduct upon such occasions, and will set that example to the future.

At the game, which was one of the most thrilling I have ever seen, and where I saw absolutely no evidence of drinking among the midshipmen, the later events of the evening came as an absolute surprise to me. One of the pictures presented by our 2,400 young men standing at cap salute in honor of the victors, the Army, was celebrated upon the field their well-worn success, and the various sportsmenlike conduct then with what occurred afterwards.

"An investigation will at once be ordered."

Reports of excessive drunkenness among the midshipmen during celebration which followed the football game Saturday were given wide publicity.

DENIS ROWDYISM.

Philadelphia, Nov. 27.—James R. A. O'Connor, managing director of the Bellevue-Stratford Hotel, where the navy ball was held on Saturday night, today declared that there was any unusual conduct at the game.

"It was a nice, and one of the quietest affairs I have ever seen," he said. "There were about 4,000 persons present."

Garrison Athletic Notes

The hockey program of the Garrison A. A. should be settled this week. It will take some time to arrange details of schedules etc., and no time should be lost in lining up the teams. Prospects are now that every unit in the Garrison will trot out a line-up.

The basketball team of the Oxford Rifles at Woodstock, Ont., are desirous of arranging a game with any of the militia units in London. They think Rutherford, Wolsey Barracks will be pleased to consider such a request, and any local unit desiring to take them on.

"Red" Watkins, who pitched a few games for the champion R.C.R.'s last year, and who during the summer obtained his discharge, has signed with the 1st Hussars. The cavalrymen are new well supplied with battery men, and are beginning to look like the team to beat in the indoor baseball league.

Lieut. Prince, the R. C. R. chairman of the basketball committee, is now preparing the schedule for this competition. Games will be played every Tuesday night.

Headquarters team has arranged an indoor baseball game with the R.C.R.'s for Tuesday, and the Oxford Rifles are arranging a game with Western University C. O. T. C. for Wednesday night. These games will give the various managers a line on the new material they have lined up for this year.
