AUSTRALIAN STARS VICTORS AT MONTREAL

Anderson Beats Crocker, While Patterson Defeats Wright in Singles.

Canadian Press Despatch.

Montreal, Aug. 13.—Australia captured the first two singles matches of the second round Davis cup the with Canada here this afternoon. J. O Anderson defeated Willard F. Crocker in straight sets. 6—1, 6—3, 6—2, while Gerald Patterson disposed of Jack Wright, 5—7, 3—6, 6—3, 6—1, 6—3.

Anderson won easily from Crocker, at no time being unduly extended, but patterson fought Wright at his most brilliant form, and it was only after five gruelling sets that the Australian won out. Wright never played better tennis. He fought szmely against the deadly service and steady placements of the Australian, but without success. Tomorrow Hawkes and Patterson, Australia, play Wright and Crocker. Canada, in the doubles.

With one victory tucked under their belts. Gil Forgue's local seniors feel confident that they will be able to end the play-off for the Southern Countes title when they meet St. Thomas in the second game here on Saturday. A win means the title but in case the locals will have to go out and beat them gagin. Where the third game will have to go out and beat them gagin. Where the third game will probably be on neutral ground.

Freddie Quick will most likely be Forgue's selection for Saturday and should be able to turn the trick and end the idea of a third tilt. The Cats are as sly as ever, and may pull some thing new in order to tie up the series, so the locals will have to be up on the bit all the way.

According to reports from Quebec. professional baseball is slowly being suffocated in that province and the demand for amateur ball is not sufficient to warrant encouragement of the game. The cause of this situation is said to be an increasing interest in lacrosse, which is rapidly usurping the favor of former diamond fans. In the last couple of years lacrosse has gained a great hold, not only in the eastern province, but also in Ontario, due entirely to the unitring efforts of advocates of the game. After its fall from grace some years ago, when Canada's national game, instead of being a sportsmanlike contest between two teams, developed into a rough-house of the worst kind, it was considered a thing of the past and that it would be a difficult task to effect a come-back.
