The preparation on the rifle range at Goldstream for the forthcoming prize meeting of the Provincial. Rifle Association are being pushed to completion. The target trench has been repaired, and is now in good working order, the target and is now in good working order, the target trench has been repaired, and is now in good working order, the target and the firing suffered any damage during the past winter. The range istelf will be found to be vastly improved, and the dust which proved as troublesome last year has disappeared under a mantle of sweet clover. Telephone communication between the target and the firing points will be provided, a convenience which competitors will appreciate, and in other details the council will leave nothing undone to make the meeting at Goldstream, on the 20th inst., a pleasant one.

Concert at Victoria West, held a very pleasant festival, last night. The hall was well filled, and the raspberries, cake, etc., were served around plentifully. Some of the best local talent of the city furnished the programme, which consisted of both inst. The local way of the programme were: Mrs. McCrae, planist; Mrs. Stamford, Mine Kangell, W. F. Gold, A. Moir, G. F. Watson, W. D. Kinnard and J. G. Brown. A good sum was realized at the door, which will go in sid of the organ fund of St. Saviors during.

Br. Dunasmutr's Will.

San Francisco, July 21.—Application has been made for probate of an authenticated copy of the will of Robert Dunsmuir, of British Columbia, who died in Victoria. April 12th, 1889. He owned property in this state valued at \$60,000, but his entire estate was worth \$1,000,000.

Sr. Paul, July 21.—The double pugilistic attraction of the week has brought norther the month of July will be below the average. At the fire drill, on Monday evening, the ward the largest crowd of all that is scientific and refined in the manly art, that the fire drill, on Monday evening, the firemen reached box S, corner of Wharf and Ystes street, in one minute and five ream of the sporting element, and if there exist the alarm was sounded soon after four o'clock, yesterday afternoon, and brought out the reels from both stations. It was found, however, that there was nothing the provisible.

ked Salmon.... nders, 3 lbs for.

From THE DAILY COLONIST, July 23. LOCAL AND PROVINCIAL.

Trade Improvement.

Trade has picked up visibly in the last reports that the shipments of yesterday and the day previous exceeded the combined shipments of the entire two weeks preceding.

Departure of the Islander.

The steamer Islander left yesterday afternoon on the excursion trip to the North,
having a good crowd of excursionists on
board. She remained at the outer wharf
until after the arrival of the Walla Walla,
from San Francisco, from which she received
a quantity of fresh fruit.

The Maries Leaves Saturday,
The United States steamship Marion
will return from Departure Bay, where
she is coaling, this evening, and will leave
for Behring's Sea on Saturday morning.
Captain Hitchcook, of the U.S.S. Thetis,
will go up on the Marion to rejoin his
vessel. He has entirely recovered from his
recent illness.

Chinese Wedding.

At the Chinese Home, last evening, two weddings of Celetials were celebrated by Rev. Mr. Watson, assisted by Rev. Mr. Gardner, the latter of whom translated the service, which had been in English. The proceedings were very interesting and attracted a number of spectators. The usual congratulations followed, after which an elegant wedding supper was served.

Previncial Exhibit.

Mr. R. E. Gosnell, commissioner for the Provincial Exhibit Association, held a conference with the council of the Board of Trade, yesterday afternoon. The objects of the association were fully explained by Mr. Gosnell, and a resolution was passed recommending that an exhibit from Victoria and district be collected under the suspices of the city council, to form part of the provincial exhibit to be sent to the Foronto and other eastern fairs.

North at 6 o'clock, yesterday morning, with a number of passengers and a cargo of red cedar lumber, from Hartley Bay. The passengers who came down on her are: C. Barnes, M. F. Kentson, J. Gormanson, Mrs. and Miss Todd, J. Terry, G. Jackson, A. Martin, Capt. Elsden, one Chinamen and twenty Indians. When the Boscowitz left salmon were running pretty freely in the Skeens river, but had not commenced running in the Nasa river.

La grippe, or some disease similar to it, has made its appearance on Alert Bay and nearly every body on the bay is sick with it.

Capt. Myers writes as follows from Alert Bay, under date July 18th: "Having an opportunity to mail letters, I send you a few lines. Left Victoria, yesterday, at 5 am., and having taken the inside channel to the northwest of Vancouver Island, stopped at Alert Bay for the purpose of landing some letters from Sir George Baden and Dr. Dawson. Everybody is prepared now to go into rough weather, having gotten affairs in order and put on their sealed tenders addressed to him and marked now to go into rough weather, having gotten affairs in order and put on their sealed tenders addressed as aforesaid for his day, we shall proceed to the north end of Vancouver Island, and then shape a course direct for Ounalaska, where we expect to meet some of the ships of the navy, and also the American Commissioners, with whom Sir George and Dr. Dawson probably will have a consultation.

Fire Department News.

Fire Department News.

The city of New Westminster will introduce a fire alarm system, purchase a chemical engine and hose wagon, and two teams of horses. Chief Ackerman inspected the department in this city, and will introduce the part-paid system in the New Westminster fire department.

The city of Nanaimo purchased 2,000 feet of fire hose, and will have a new fire hall in a few days

Foreman F. Hinds extinguished an in-

a few days
Foreman F. Hinds extinguished an incipient fire near Rock Bay bridge, a few days ago.
Chief Deasy states that the fire loss for the month of July will be below the average.

Another Rookery Found.

It is reperted in town that the Alaska Commercial Company have announced that they have discovered another seal hatchery. Inasmuch as their season's take is expected to be greater than the amount stipulated for in their contract, it is thought that this story is circulated with a view to accounting tor the excess.

Post Office Inspector's Office, Victoria, 26th June, 1891, jly10-3t-w

The farles Leaves Saturday.

The United States eteanship Marion will return from Departure Bay, where the coaling, this evening, and will leave for Behring's Sea on Saturday morning. Explain Hitchcock, of the U.S.S. Thetis, will go up on the Marion to rejoin his recent illness.

Ensaway.

Yesterday afternoon, about half-past four, just as the hose reals and firse engines were tearing ont of the Yates street station, as horse attached to a steam wood saw took fright on Broad street and raced along to year heart of the Saturday of the Saturday and descends to terra firms with the aid of a parachute. In an exhibition of this kind, where it was eleverly captured without any mischief having been done.

The run of salmon in the Fraser river has so far been an unusually light one. No great catches have been made, and the canneries on the Fraser river. It is, however, early in the season, and there may be a good run before it is over.

After stay in the season, and there may be a good run before it is over.

Ensert Emplayes.

A few days ago a young lady travelling on the steamer City of Seattle, from Fort Townsend to Whalcom, lost a \$500 diamond earring on the boat, and later, a lady travelling from Victoris to Seattle, miniating on the steamer City of Seattle, from Fort Townsend to Whalcom, lost a \$500 diamond earring on the boat, and later, a lady travelling from Victoris to Seattle, miniating on the steamer City of Seattle, from Fort Townsend to Whalcom, lost a \$500 diamond earring on the boat, and later, a lady travelling from Victoris to Seattle, miniating up and cleaning their shears, where the property to the owners.

Many Alsaka Townsta.

The steamship Queen, en route to Alsaka, arrived from the Sound at 6 o'clock last vening with a big crowd on board. She was joined at Victoria by many more to good the street of the three of the property is behind Tai Vuen's store at the property to the owners.

Many Alsaka Townsta.

The present exoursion is one of the largest that the popular steamer has yet carried doubt.

MARVIN-In this city, on the 15th inst. Edvar Marvin, a native of Syracuse, N. Y., in the 67th year of his age.
