The match to decide the intermediate championship of the O.R.F.U. will be played on the Lorne's grounds, Bloor-street west, next Saturday. It should prove to be a good game, as both teams are working hard, and are in good condition. If the black and white have as good a team as they had last year, they should give the Lornes a hard fight for the championship, as last year the first intermediate match was between Osgoode and the Lornes and resulted in a tie of 6 all. It is not likely that there will be any changes made in the Lorne's team and will be the same as played against and will be the same as played against Queen's last Saturday.

Little Rock—Hot Springs Officers Outwitted.

Texarkana, Oct. 30.—Fitzsimmons passed through here at 3.10 this afternoon. Little Rock officers, backed up by the sheriff, of this county, arrested him as soon as the train reached Arkansas territory, Sheriff Houpt of Hot Springs claimed prior arrest, but was ignored by the first named officers. Who disputed his right on authority of the Governor. Sheriff Houpt said the plan was that he and Fitzsimmons would enter the State of Arkansas on the baggage car; that as soon as the line was reached they would jump from the train, run over into Arkansas and he would arrest Fitzsimmone and take him to a place where he would be required to give a bond, and where the fight would come off between 6 and 10 o'clock in the morning. The plan failed to work, because the Governor's officers refused to recognize Houpt's authority, a warrant having been issued for him to-day on complaint of the Attorney-General, charging him with aiding in a conspiracy. The militia has been ordered out at Little Rock.
