MARCH WEATHER RHEUMATIC WEATHER

Victims [Can Cure Themselves With Dr. Williams' Pink Pills

With Dr. Williams' Pink Pills

With the coming of March, people who are afflicted with rhermatism—begin to have unpleasant reminders of their trouble. The weather is changeable—balmy and springlike one day, raw, cold and piercing the next. It is such sudden changes of weather that sets the pangs and tortures of rheumatism, lumbago and sciatica going. But it must be borne in the mind that although weather cenditions start the pains, the trouble is deeply rooted in the blood, and can only be cured through the blood. All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatism. That's why Dr. Williams' Pink Pills have so many thousands of cures of this trouble to their credit. The new, rich blood which they actually make drives out the poisonous acid and rheumatism is vanduished. Among many sufferers from rheumatism who have been cured by this medicine is Miss Mary B. Kelly, South Dummer, Among many sufferers from rheumatism who have been cured by this medicine is Miss Mary B. Kelly, South Dummer, Ont. Miss Kelly says: "Some time ago I had a very bad attack of rheumatism, at times I would be confined to bed for a couple of days and would seem almost paralyzed with the intense pain in my back and legs. At such times I could not walk and my joints were stiff and swollen. I consulted different doctors and took their medicine, but did not get more than temporary relief. At this time a neighbor advised me to try. Dr. Williams' Pink Pills and I got a supply. After taking a few boxes I found they were greatly helping me, and I continued their use until the trouble completely disappeared. I can strongly recommend this medicine to others who suffer as I did from the pangs and tortues of rheumatism." matism.'
