

ROYAL STANDARD FLOUR

¶ If you have been indifferent, when ordering Flour, to call for it by name, begin to-day by asking your grocer for **ROYAL STANDARD**.

¶ You will notice the difference on your first baking day. You will produce better bread of highest food value, finely textured, pure, wholesome loaves, and more to the sack.

¶ Look for the trade mark, the "Circle V" on the sack.

THE FLOUR
with the
"Money Back"
Guarantee.
