

## TO THE PUBLIC.

THIS Number of the MONTHLY REVIEW is sent to various persons throughout Upper and Lower Canada, in order that they may be enabled to judge of its merits before giving it their support. Those who may decline becoming Subscribers, will please to return their copies by Mail, or otherwise; and those who may wish to receive the Work, will please remit the half-yearly Subscription, (ten shillings,) in advance. This condition must be strictly observed, or the REVIEW will not be forwarded—as it is impossible for us to incur the trouble and expense of collecting throughout the country. In Toronto, Subscriptions will be received by the Editor, York-street; or they may be addressed to him, through the Post Office, or left at the Office of the BRITISH COLONIST.

It will be seen, that the design of the Work is not to irritate, but to calm the public mind—allay existing dissensions—reconcile and unite differing parties—and prepare the way for the important business of Legislation, and public improvement, worthy of our race and our country. To further this design, we present the REVIEW to the public, and solicit their support, so far as they judge it worthy thereof.

N. B.—All Post-masters are respectfully requested to act as Agents for the REVIEW, both by procuring Subscribers, and remitting Subscriptions.

The terms are—Twenty Shillings per Annum, including Postage, payable half-yearly in advance.
