by Pen, Pencil and Camera.

The Montreal Daily Herald proposes to give its readers a complete pictorial and letter press history of the Canadian contingent. It is not only sending with the volunteers to South Africa a special correspondent, thoroughly

versed in military affairs, but also a special artist, who will furnish The Herald exclusively with sketches and photographs of the scenes on sea and land in which the Canadian contingent participates. This artist is one of the leading Canadian illustrators, and The Herald is fortunate in securing him for this important work.
