Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are some times a little sceptical when distance of some remote planet is given, but never in the least doubt when J. J. H. & Co. 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

INK STAINS in cotton or linen can often be removed by washing in salt and water; while wet they can be taken out with vinegar or milk without injury to colour or fabric, but either of these methods must be employed before the fabric is washed with soap, or even wet with water.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Electric Medicated Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

REFLECTION FROM LAMPS.—Never set the lamp upon a red table cover; if you cannot find time to make a green lamp mat, put a piece of green card board under the lamp, and you will find the reflection upon your work much more agreeable to the eyes than that from the red cover.

B. B. B.—ONE OF MANY.—B. B. B.—Mrs. Agnes Black, of Orton, Ont., says, "For five years I have been a sufferer from dyspepsia and indigestion. I tried one bottle of Burdock Blood Bitters, and was getting better; I then bought three more, and it has cured me."

CURE FOR LOCKIAW.—Pour a small portion of warmed spirits of turpentine on the wound, no matter where such wound is or what its nature, and relief will follow in less than one minute. Turpentine is a sovereign remedy for croup, by saturating flannel and placing it on the throat and chest.

REMARKABLE.—There have been many remarkable cures of deafness reported from the use of Yellow Oil. The proprietors of this medicine have a large number of such testimonials. It is the great household remedy for pain, inflammation, lameness, and soreness of every description, and can be used internally and externally.

GOOD COOKIES Two cups of sugar, three quarters of a cup of butter, one egg, one cup of good sour cream, with one tea spoonful of soda. Beat well together the sugar, butter and egg, then add cream with soda in it, add to this sufficient flour to make a nice soft dough, roll thin, cut any shape you desire. Sprinkle granulated sugar over them before going in the oven. This adds much to the looks after they are baked. Bake lightly. Try this, and you will have a good cookie, warm or cold.

WE are glad to learn that the "PAIN KILLER" is having so large a sale in our city. We have every reason to believe it to be an almost never failing cure for pain, and is a medicine that no family should be without. *Montreal Pilot.*

THE SHRINKAGE OF FLANNEL.—To keep flannels as much as possible from shrinking and felting the following is to be recommended. Dissolve one ounce of potash in a bucket of water, and leave the fabric in it for twelve hours. Next warm the water with the fabric in it, and wash without rubbing, also draw through repeatedly. Next immerse the flannel in another liquid containing one spoonful of wheat flour to one bucket of water, and wash in a similar manner. Thus treated, the flannel becomes nice and clean, has barely shrunk and almost not at all felted.

For Children Starving to Death,

On account of their inability to digest ordinary food, Scott's Emulsion can be digested, and give strength and flesh when all other food fails. See what Dr. A. H. Peck, Penn. Med. Coll. Lect. on Pediatrics, says: "I have used and prescribed Scott's Emulsion of Cod Liver Oil, and find it an excellent preparation, agreeing well with the stomach, and its continued use adding greatly to the strength and comfort of the patient." Put up in 50c. and \$1 size.

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy. If taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all

CHRONIC DISEASES OF THE Liver, Blood, and Lungs.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chilliness, alternating with hot flashes, low spirits and gloomy forebodings, irregular appetite, and coated tongue, you are suffering from Indigestion, Dyspepsia, and Torpid Liver, or "Biliousness."
