## GEYLON TEA COMPANY

WHAT

### "THE TIMES" OF CEYLON

Says of this Company, May 4th, 1889.

"We are asked by a Correspondent, 'Which Company, for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand), sell more Tea than most, seeing that they have no less than one thousand Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.

### Sparkles.

MRS. YOUNGWIFE: Oh, John! I have such terrible news. Hubby: What is it, dear? Mrs. Youngwife: Our cook is going to marry the janitor. Whatever will become of us?

MISTRESS (trying on one of her new gowns): Norah, how does this dress fit? Norah (without looking up): Not very well, ma'am. I found it a little tight under me arrounds.

WHAT'S THE REASON?—The causes of summer complaint, diarrhoea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, over-exertion, impure water and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt cure for all bowel complaints from whatever cause.

MRS. NEWWED: (handing tramp several biscuits) Here, my poor man, are some biscuits. You will find the saw and axe in the woodshed. Tramp (closely examining the biscuits): Are they as bad as that, mum?

A PROBLEM: Mathematicians figure that a man sixty years old has spent three years buttoning his collar. How much time has been consumed by a woman of forty-five in putting her hat on straight?

MINING experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhoea, etc. It is a sure cure.

AMATEUR artist: I should like to present the last picture I painted to some charitable institution; now, which would you recommend? Cruel lady friend: The Blind Asylum.

FRIEND: I should think you would find hard wood rather an expensive fuel these days? Suburban resident: That wood pile is not for fuel; it's a protection against tramps.

BRECHAM'S PILLS cure Sick Headache.

MAMMA: Johnny, see that you give Ethel the lion's share of that orange. Johnny: Yes'm. Ethel: Mamma, he hasn't given me any. Johnny: Well, that's all right. Lions don't eat oranges.

IMPERIAL FEDERATION.—Will present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

They were talking about trees. "My favourite," she said, "is the oak. It is so noble, so magnificent in its strength! But what is your favourite?" "Yew," he replied.

HEALTH, HAPPINESS AND PROSPERITY.—All these depend on pure blood, for without it health is impossible; without health happiness is impossible, and without happiness prosperity is a mockery. No means of obtaining pure blood and removing bad blood excels the use of B.B.B., the best blood purifier known.

THE boy to blame. Lady Customer: "That pair of slippers I bought of you a short time ago have worn out." Clerk: "Bad leather, ma'am?" "No; bad boy."

PETER SHAW, of West Winfield, N.Y., was afflicted with a severe cough, with pain in the side and lungs and general depression, causing himself and friends great alarm. He tried many remedies with no good results. One bottle of WISTAR'S BALSAM OF WILD CHERRY completely cured him.

IT is curious how much faster a street car bumps along when you are running after it than when you are riding on it.

A LADY wrote to an editor for a receipt for pies, and the editor replied that he would send the receipt as soon as he received the pies.

A NATIONALIST PLAN.—A proposal, which would obtain favour with even the opponents of Nationalism, contemplates the placing of a supply sufficient for each family of nature's great dyspepsia specific and blood purifier, B.B.B., in every home in the land. The benefits of such a boon to the people would be incalculable.

MISTRESS (to new cook) "I hope you haven't a young man?" "Oh, no, mum; he's gettin' on for fifty!"

THE Grand Trunk system differs from the human system in that the same troubles do not effect it and the same remedies are not needed. For all diseases of the human system there is no tonic purifier, renovator and strengthener as good as Burdock Blood Bitters. A weak system can be built up by B.B.B.
