

FINANCE DEPARTMENT, CUSTOMS,
OTTAWA, 12th March, 1867.

NOTICE TO MARINERS.

THE following important notice to Navigators has been issued by the Government of Mauritius, in reference to a floating light at the Bell Buoy Anchorage to be substituted to the harbour lights at the entrance of Port Louis, to which the attention of all concerned is specially directed.

By Command,
THOS. WORTHINGTON,
Asst. Com. of Customs & Excise.

Governor Sir H. Barkly to Lord Carnarvon.
Mauritius, 18th Dec., 1866

Gov. Desp. No. 292, My Lord,
of 31 Oct., 1866.
S. S. Desp. No. 361,
of 27 April, 1866.

Enclosure 1
Notice.

With reference to the previous correspondence, noted in the margin, on the subject of the substitution of a Floating Light at the entrance of the Harbour of Port Louis for the present Shore Lights, I have the honor to forward, for the information of the Board of Trade, the accompanying copies of a Notice, announcing that the change in question will take effect from the 24th May next, and giving the necessary sailing directions for the guidance of vessels approaching the Port.

Enclosure 2.
Enclosure 3.

Copies of this notice have been forwarded to the different countries enumerated in the enclosed list, bearing the signature of the Colonial Secretary, and I beg that information may be given to the other Governments mentioned in the accompanying Copy of a letter from the Harbour Master, dated the 14th instant, as well as to any Departments of Her Majesty's Government whom the matter may concern.

I have, &c.,

(Signed) HENRY BARKLY.

The Right Honorable
the Earl of Carnarvon,
&c. &c. &c.

[NOTICE.]

On the 24th of May 1867, the Harbour Lights at the entrance of Port Louis, Mauritius, will be done away with, and a Floating Light at the Bell Buoy Anchorage will be substituted.

The Floating Light Vessel will be moored a little to the N. Wrd. of the present well known Bell Buoy, with the following bearings:

Extreme of land to the northward. N. E. B. N.
Extreme of land to the westward. W. S. W.
Flagstaff on Fort George: S. E. $\frac{1}{2}$ S.
Depth of Water: 15 fathoms.

The light vessel will be painted white, which will enable her to be distinctly seen against the sea during the day.

She will show a "flashing white Light," from sunset to sunrise, which will be visible a distance of 9 miles every direction from Seaward, from the poop of a large vessel.

The fact of this being a flashing Light, at short intervals, will sufficiently distinguish it from the

Revolving Light at Flat Island, even were a mistake possible.

Vessels from the northward, after rounding Cannouier Point, must be careful not to bring Cranouier Point Light to the Westward of Flat Island Light, till the Floating Light at the Bell Buoy is seen; they may then steer for the latter on a S. S. W. $\frac{1}{2}$ W. bearing, and anchor on that bearing, from $\frac{1}{2}$ a mile to a mile from the Light.

Vessels approaching the Port from the Westward, may steer from the Floating Light on an E. b. N. $\frac{1}{2}$ N. bearing, and either anchor $\frac{1}{2}$ a mile from her on that bearing, or further to the Northward as convenient.

The mooring chain of the Floating Light runs about 150 fathoms in a N. N. W. direction; vessels must therefore be anchored in such a manner as to avoid hooking it.

The depths at the anchorage vary from 12 to 20 fathoms.

All the bearings are Compass bearings.

D. WALES,
Harbour Master.

Port Office, 14th December, 1866.

Harbour Master to Colonial Secretary:
Port Office, Mauritius, 14th December, 1866

Sir,
As it will be necessary to send intelligence to all parts of the world before substituting a Floating Light at the entrance of this port for the present Harbour Lights, I have the honor to request that His Excellency the Governor will authorize the printing of the annexed sailing directions, and the forwarding of them by the mail of the 18th instant to all parts of the world.

The rule is to allow such intelligence time to reach every important Port in the world, and give vessels that have left before its arrival time to reach the spot where the new Light is to be placed.

I have proposed, therefore, to light up on the 24th of next May, the anniversary of Her Majesty's Birthday, subject to His Excellency's approval, thus allowing five months and one week for the transmission of intelligence, which ought to be sufficient, if no time is lost in sending it from England to North and South America.

I recommended that copies of the notice should be sent to the Governments of the following countries:—Russia, Holland, Denmark, Sweden and Norway, Belgium, France, Spain, Portugal

Italy, Austria, Prussia Turkey, British North America, United States, Mexico, Brazil, Callao; also to the Secretary of State for the Colonies, the Admiralty, and the Trinity House, for transmission to English, Scotch, and Irish Ports; to the Australian Ports, Cape of Good Hope, the Indian Governments, the Straits Ports and Batavia, Manila and China, together with any others that may be suggested; and that 100 copies may be sent to this office for distribution among the shipping.

I have, &c.

Harbour Master,

The Hon. Colonial Secretary.

Circular.

Downing Street,
26th April, 1867.

Sir—
With reference to the Circular Despatch from this Department dated the 31st of June, 1866, relative to the case of Foreigners naturalized in any of Her Majesty's Colonies who wish to obtain British Passports for foreign travel—I have the honor to inform you that different cases have occurred lately in which such naturalized foreigners have applied in this country for passports without being in possession either of a passport from the Governor or of any official document from the colony to establish their identity and character. You will readily perceive that this is calculated to embarrass this Department, and also to cause much private inconvenience to the parties concerned if they should find themselves unable to produce any sufficient evidence of their quality.

I have therefore to suggest that, in every colony containing naturalized foreigners who are likely to travel in Europe, it would be convenient that notice should from time to time be given in public newspapers of the necessity for such persons providing themselves before leaving the colony with some official evidence and description.

I have the honor to be,
Sir,
Your most obedient,
Humble Servant,

Signed, BUCKINGHAM & CHANDOS.
The Officer Administering
the Government,
&c. &c. &c.

[With reference to the foregoing Circular.]

DESPATCH NOTICE is hereby given that parties requiring Passports must apply, until further notice, to this Department, transmitting at the same time a certificate of identity, accompanied in each case with a description of the applicant, signed by a Justice of the Peace, and also the fee of one dollar.

WM. McDOUGALL,
22-61 Secretary.
Provincial Secretary's Office,
Ottawa, 31st May, 1867.

DEPARTMENTAL ORDER.

Ottawa, Aug. 13th, 1866.
NOTICE is hereby given that His Excellency the Governor General, by an Order in Council bearing this day's date, has been pleased to order and direct that, with the view of encouraging the introduction into the Province of the very important improvement of Steam Cultivation, Steam Ploughing Machines and their appurtenances be exempt from import duties for a period of two years from this date.

By command,
R. S. M. BOUCHETTE,
Commissioner of Customs and Excise.
