Need*

in any communi-  
ty is a first-class  
soap. You have  
it in

**ECLIPSE  
SOAP**

Try it. Your  
grocer has it.

**JOHN TAYLOR & CO.,**  
Manufacturers. TORONTO

We wish we could make everybody believe that promptness is prevention; that there should be no delay when you are losing flesh and when you are pale, especially if a cough be present. The continued use of Scott's Emulsion in the early stages of lung affections does prevent the development of Consumption. Your doctor will tell you this is true and we state it without wishing to make any false claims or false promises. Free book tells more on the subject.
