OLD SORES

is is a sovereign remedy—causing new circulation of the blood around the edges of the sore, and speedily filing up and drawing together the flesh, which in old sores is generally inert and lifeless. In

SORE EYES AND RUNNING EARS

the effect is truly wonderful. The scrofulous nd deprayed blood and humors on which such sores feed and live, are neutralized at the stomach, the fountainhead, and new and healthy blood soon washes away every vestige of disease. In.

ULCERS AND TUMORS

the effect is equally gratifying, although of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

CANCER,

the Earsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because, unless this is done, and the nature of the blood and bumors be entirely changed throughout the whole body, the disease is liable to seturn with unabated force. In

BOILS AND CARBUNCLES

the Sersaparilla should be taken five or six times a day, but not in very large doses say two or three tablespoonfuls at a time. And in all of there diseases we strongly argo the use of Bristol's Engar-Costed Pills is conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to rest. In this way, cures will be more speedily ef-

Ayer's Hair Vigor,

For restoring Gray Hair to

Hope.

its natural Vitality and Color. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

A BOUQUET

VIOLETS AND WATER LILLIES

Exhale an exquisite fragrance, agreeable to the most fastidious, but in the Florida Water of Murray & Lanman it is not to these two floral beauties alone that we are confised; in it we have the full fragrance of a whole bouques of blooming tropic flowers. MOSS ROSE AND JASHIN

Execusite in their odors, are yet poor by comparisea with the clouds of incense that arise from Marray & Lanman's Florida Water, so justly styled 'The Queen of Floral Perfumes'

ORANGE FLOWERS AND HONEYSUCKLE.

Delightful in the pure delicacy of their sweet breath, but faint and fading when compared with the refreshing and strengthening perfame of Murray & Lauman's Florida Water.

PRIMROSES AND HELIOTROPE.

Full of sweet perfume, and agreeable to many, but void of those important hygienic properties which make Murray Lanman's Florida Water so welcome in a sick-room. DAISIES AND BUTTERCUPS.

Nature's every day perfumes, exhaling floral in-cense familiar to us all but from which we turn eag-

erly away to the more refixed, delicacy of fragrance of Murray & Lapman's Florida Water. LAVANDER AND MAGNOLIAS, Rich with heavy perfume, but not invigorating nor refreshing, and so sweet that the sense of smell soon clays, and longs for the simple freshness of Marray

& Lanman's Florida Water SWEET BRIER AND CLOVER BLOOM.

Bringing memories of country life and exhaling a perfome pure and delicate, but lacking uniformity and permanence so marked a feature in horray & Lauman's Florida Water. MIGNONETTE AND DAFFODILS.

Of poetic celebrity, sweet and pleasant in the perfome but still only the perfome of single flowers. In Murray & Lanman's Florida Water we have the combined fragrance of more than all these floral

beauties; We have the unappreschable richness of the far off tropic flowers made permanent, and giving justly to the exquisite Toilet-Water the title of THE EVERLASTING PERFUME. Purchasers should be careful to ask for the Florida Water prepared by Lanman & Kemp, Nov.

York, who are the sole proprietors of the genuine For Sale by all respectable Druggists, Perfumers, and Fancy Goods Dealers.
