RIOTS IN BALTIMORE.—Baltimore was the scene of a desperate and bloody riot, the work of the Know-Nothings, with the mayor as a valuable accessory. The Baltimore *Republican* says:—

The election in Baltimore was attended with more of the disgraceful riots which marked the last election. One or two persons were killed, nine or ten mortally wounded, and many others dangerously injured. The *Sun* says:—"From the time polls opened until they closed disorder and riot prevailed more or less, and firearms of every description were freely used. It is equally certain that fraudulent voting was practiced almost without restraint and scarcely disguised, while great numbers were deprived of their franchise, either by force and violence at the polls or intimidation from the reports current of what was going on. The history of the day was a lamentable commentary upon the assumption of the Mayor that he had adopted sufficient measures for the preservation of the peace. On the contrary, authority seemed powerless; disorder soon grew into riot, and riot culminated in bloodshed and slaughter. There was a notorious insufficiency to do any effective thing for the maintenance of order or for the protection of citizens in the exercise of their rights."

The same journal of a later date continues:

None can resist the conclusion that all naturalised citizens, as well as large numbers of native Democrats, have been disfranchised. Indeed, the desperate men of the Know-Nothing party have openly and above-board avowed their determination to prevent naturalized citizens from voting. So strong is their hatred of them, that they openly justify it, saying that a boy has more right to vote than they. These violent and ruffianly characters do not thank the Know-Nothing *American, Patriot, Clipper* and *Democrat* for denying their fell purpose, or the actual accomplishment of it. They boast of it. They will attest themselves the truth of our assertion. Besides, that they are aggressive and the Democrats defensive, is known of all men, however K. N. party organs may attempt to falsify and deceive.

The returns of this morning if nothing else were wanting, prove where the guilt lies. We see by them that Know Nothingism, which at the Council election of last year, when there was no disturbance, and a fair vote, was 1100 in a minority in the city, has in this instance given a majority of over 7,000.

If anything had been needed to prove treachery and cowardice of Mayor Hinks, it is abundantly furnished by the letters of the Governor and Secretary of State, which we have just received, and hasten to publish. It is here proved that he would not go even to look at the riots which his shuffling course and partizan police had fomented; and while assured, as we know he was, by respectable citizens, of the violence and outrage which was being perpetrated, he turned a deaf ear to all representations, and, without an effort, permitted thousands of his fellow citizens to be driven from the polls and deprived of their votes. Such a creature deserves nothing but the unmitigated scorn and contempt of all honest men. The name of Samuel Hinks will hereafter be irrevocably linked to all that is base, cowardly, and treacherous. He stands before the community responsible for all the outrages and murders which stain the character of the city, and make honest men blush for their citizenship.

AN OSSIFIED MAN.—In a quiet little village on the Western Reserve, in Ohio, says the Prescott *Transcript*, there lives a man who, physiologically considered, is one of the wonders of the world. His joints are completely ossified, turned to bone, and he is not capable of making the slightest movement, except alternately opening and shutting two fingers of his right hand. His body is as rigid as iron, and it couldn't be bent forward or backward without breaking some of his bones. This singular process of ossification has been going on in his system for more than twenty years. He is now about 46 years old, and has not had the use of his limbs so that he could walk since he was nineteen. Ossification commenced first in his ankle joints, gradually extending itself through his system until he was entirely helpless; since that time he has been wholly under his mothers care and she watches over him with an anxiety which only a mother can feel. When about 26 years old he became entirely blind from some unknown cause, and has remained so ever since. At about thirty he suffered greatly from the toothache, and finally he had them all extracted. A year or two afterwards his finger and toe nails all came off, and were supplied by others, growing out from his fingers and toes at right angles, and presenting the appearance of horns. What is still more singular with regard to his nails, if the end of the nail is cut off it will bleed freely.—Such is the condition of this remarkable man at the present time. He has been visited by a great number of scientific men, from all parts of the world, but all have failed to give any plausible reason of the cause of his transformation from flesh to bone.—Singular as it may appear, although his jaw bone is firmly set in his head, he not only talks freely, but fluently converses with his friends and those who visit him, on all ordinary topics of the day, and he shows himself well informed and of good mind. He is always cheerful, appears contented and happy, and it seems probable that he will live many years to come.

SUPPRESSION OF RELATIONS BETWEEN GREAT BRITAIN AND NEW GRENADA.—By a sailing vessel which arrived at Aspinwall from Carthagena we have received the important information that Mr. Griffith, her Britannic Majesty's Charge d'Affaires at Bogota, having failed to arrange with the New Granadian government the old standing Macintosh claim, has broken off negotiations with the government, and given notice that the admiral of the British West India squadron has been ordered to enforce the payment of the claim.

A country editor says he has received the following "stop my paper." "Dear Sir, I have looked carefully over your paper for six months for the death of some individual that I was acquainted with; but as yet not a single soul I care anything about has dropped off; you will please have my name erased."

ON SUCH SUBJECTS THE TESTIMONY OF WOMAN SHOULD BE CONCLUSIVE.

NEW YORK, August 2, 1852.

☞ Mrs. Clute, of No. 272 Second street, believing her child, about three years old, to be troubled with worms, purchased one bottle of DR. M'LANE'S CELEBRATED VERMIFUGE, prepared by Fleming Bros., Pittsburgh, Pa., and gave it two tea-spoonsful, which had the effect of causing the child to discharge a large number of worms. The child is now enjoying good health. We would advise all parents who may suspect their children to be troubled with worms to lose no time, but immediately purchase and administer Dr. M'Lane's Celebrated Vermifuge. It will cure. *The money will be refunded in all cases where it does not give satisfaction.*

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of PITTSBURGH, PA. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. *None genuine without the signature of*

CURIOUS NAMES IN AMERICA.—What queer names some unfortunate mortals are blessed with! We heard of a family in Detroit whose sons were named One Stickney, Two Stickney, Three Stickney, and whose daughters were named First Stickney, Second Stickney, &c. The three elder children of a family near home were named Joseph, And, Another; and it has been supposed that, should they have any more, they might have named them Also, Moreover, Nevertheless, and Notwithstanding. Another family actually named their child Finis, supposing it was the last; but they happened afterwards to have a daughter and two sons, whom they called Addenda, Appendix, and Supplement.—*American Paper.*

AYER'S Cathartic Pills,

(*SUGAR COATED,*)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER. SIR: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect,

ED. W. PREBLE, *Clerk of Steamer Clarion.*

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours,

ALONZO BALL, M. D., *Physician of the Marine Hospital.*

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawks, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 6 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
