MURRAY & LANMAN'S FLORIDA WATER .- The introduction of this healthful and delicate perfume must inevitably render the inferior scented waters. manufactured from strong and impure essential oils, a drug in the market. Twenty years ago it took the place of the European 'extracts' and 'essences, in the South American and West Indian markets, superceding even the veritable Eau de Cologne. Its aroma is a closer approximation to the breath of living flowers, than that of any toilet in use; and as alwash for the teeth, and for the complexion (when diluted with water) it is unequalled. As there are imitations abroad, it is important to see that the names of 'Murray & Lanman' are embossed on the bottle and inscribed on the label.

BETWEEN HEALTH AND THE GRAVE there is but a thin partition, and all who value life are willing, it is presumed, to do their best to prevent disease from breaking it down. Who so mad as to swait the final attack, when the first onset can be repelled with BRISTOL'S SUGAR-OOATED PILLS, a proparation so genial and balsamic, so searching, yet so invigorating, that while it fights down the complaint, and expels its cause, it also builds up the strength and braces the coastitution of the patient. Composed of antibilious and cathartic vegetable ingredients, at once safe and searching, it is the only cure for disorders of the stomach, the liver, and the bowels, which can be relied upon under all circumstances, and in all climates. The idea of pain is justly associated with ordinary purgatives; but BRISTOL'S SUGAR-COATED PILLS do not create even an uneasy sensation, either in the stomach or the alimentary passages. Need it be said that they are the best household cathartic and alterative at present knowing. They are put up glass vials, and will keep in any climate. In all cases arising from or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

ADVERTISING .- There is no doubt that the great lever in the extension of a business, in these go-ahead times, is advertising; but the immense popularity of that celebrated remedy for Dyspepsia, Liver Complaint, Nervous Debitity, &c., HOOFLAND'S GER-MAN BITTERS, is not so much owing to the fact that it has been extensively advertised, as it is to the great merit of the article.

A worthless medicine may, through publicity, acquire a short-lived notoriety, but it requires the basis of true merit, in order to sustain itself for any considerable length of time. HOOFLAND'S GERMAN BITTERS has been known to the American public for more than ten years; each day adding some new proof of its virtues and great curative properties. These Bitters are for sale by all druggists and deal-

ears in medicines.
