YARMOUTH council has decided to buy their own electric light plant in order to light the streets of the town.

A BAILIFF is in possession of the bakery stock of Fred. Dalton, in this city, and the stock will be sold. His assets have been mortgaged.

It has been settled that Canada is to have 19,761 square feet of space at the Glasgow Exhibition, 8,961 feet in the main building and 10,800 feet in the Canadian building.

RHODES, CURRY & Co., of Amherst, N.S., finding the power plant in their car works too small for their rapidly growing business, are adding a 150-horse-power Mumford Standard boiler, built by the Robb Engineering Co.

An American syndicate is offering to rebuild the Bonsecours Market in Montreal, and operate it for fifty years, provided the city guarantees its 4 per cent. bonds to the amount of \$1,200,000, and pays the principal at the expiration of the term. In return the company agrees to pay the city \$200,000, to be capitalized for the redemption of the bonds, and an annual sum of \$20,000, the market to revert to the city at the end of that period.

The first annual meeting of the Central Ontario Power Company, limited, proprietors of the Burleigh Falls power, was held in Toronto a few days ago, the following officers being elected: President, Hon. The offices are located at Peterboro.

NEGOTIATIONS are in progress for the formation of another iron and steel amalgamation. The companies which, it is reported, intend to combine are the Canadian Steel Co., the Lake Superior Power Co., the American Sheet Steel Co., the Otis Steel Co., the Pittsburg Steel Co. and the Wellman Seaver Co., of Cleveland. Combined with these, if the deal is completed, will be several English firms. It is the intention of the projectors to erect plants at various places, with the Welland canal as an outlet. The amount of capitalization has not yet been decided on.

AN assignment has been made by the Presbyterian Review Co., Limited, in this city. They owe about \$2,700, but cannot state the value of assets, which are composed of type presses, etc. About March last they sold the "good-will" of their paper to the Rev. Mr. Hossack, in this city. Since that time they have done but little business. The immediate cause of their trouble is that the manager became involved through an outside venture, which proved unsuccessful.—W. H. Callaghan carried on a dry goods business on College street, in this city, for several years. A little over a year ago he got into trouble with his landlord, and when his stock was sold creditors realized but a small dividend. Last June he opened a hat and cap store, under cover of his wife's name. Now she assigns.
