

Going to Re-Decorate?

Why not enjoy the practical advantages offered by our

Metallic Ceilings & Walls

They are both handsome and economical—outlast any other style of interior finish—are fire proof and sanitary—can be applied over plaster if necessary—and are made in a vast number of artistic designs which will suit any room of any building.

Write us—we'd like you to know all about them. If you want an estimate send outline showing the shape and measurements of your ceilings and walls.
