

The remarkable success of the candidates from the

GOWLING BUSINESS COLLEGE

174 WELLINGTON STREET

on the Civil Service Examination for May proves the superiority of our courses. With one exception every candidate received an appointment in the Civil Service within four days after the results were published (June 18). One of our candidates in the Shorthand Division went right from our school without a single day's experience and headed the list of those who wrote from Ottawa and took third place in the Dominion. Another without a single day's office experience took the highest mark in Typewriting (99%) and still another caught fourth place in Subdivision B, 3rd Division. A most remarkable showing for inexperienced candidates, and is the best evidence of the High Grade teaching at Gowling's School.

Civil Service class opens August 1st. For particulars apply to

THE ROYAL ROAD

Mr. X., of Ottawa, last January decided to prepare for the Civil Service exam. (Second Division), but did not know A from B in French. Purchasing a set of the De Brisay Method he set to work without a teacher. Six months later he passed the exam, and now holds a government position. Only by the De Brisay Method could he have accomplished what he did.

Every year a number of our students pass the matriculation Latin or French after only a few months' study with our system. We accomplish in a short time what the High Schools take three or four years to do. And our students know the languages better. If ours is not the "Royal Road," what is it?
