LASTING WEAR WITHOUT REPAIR

Weak, uncertain culverts will not make up for the expense you put on other items of your roads. Permanence must be assured from the time you draw up your plans.

Pedlar's "Perfect"

Culverts

keep roads in good repair for years at these vulnerable points. Made of an anti-corrosive that cannot crack under the severest strain, and will not rust, pit or corrode.

Erected at small cost and in less time—they end repaid expense for good. Made in sizes and lengths to suit any road requirements. Write for Culvert Reference Book No. 4, M.J., to-day. It's FREE.
