

Your Managers beg to report that three proposals were made at the conference with respect to Bill No. 107. The first was made by the Senate Managers and the other two by the Managers of this House:—

1. That the legislation should be in force for one year from the 11th of November, 1918, being the date of the Armistice;

2. That the legislation should be in force until the end of the present fiscal year, that is to say, the 31st March, 1920;

3. That the Bill as passed by the House of Commons be concurred in with a proviso that upon the application of the Lieutenant Governor in Council of any province to the Governor in Council asking that an order of the Governor in Council be made repealing the regulations incorporated in the Bill with respect to such province after peace has been proclaimed, or after such date thereafter as may be stated in such application, the Governor in Council should make such order; and that upon the making of the order the regulations and any amendments thereto should not apply to or be in force in such province, or with respect to such province or any business therein, after peace had been proclaimed or after such date thereafter as might in the said application and order be mentioned.

The Managers of the conference were, however, unable to effect any agreement in the premises.

And the question being put on the said motion; it was agreed to.
