BUSINESS OF THE HOUSE

WEEKLY STATEMENT

Mr. Jacques Guilbault (Saint-Jacques): Mr. Speaker, I would like to ask the Government House Leader whether he is now in a position to tell us what the House will be looking at in the coming week.

Hon. Ray Hnatyshyn (President of the Privy Council): Mr. Speaker, we will now proceed with consideration of Bill C-45. We will continue with that tomorrow if we do not finish it this afternoon. Following that we will take Bill C-96 at second reading. That will be followed by report stage and third reading of Bill C-75. We will see what progress we make on that and perhaps I can stand up on Monday and tell the House what other business we have to complete in the following part of the week.

Ms. Copps: Point of order, Mr. Speaker.

Mr. Speaker: The Hon. Member for Hamilton East (Ms. Copps) is rising on the business of the House question?
