

JUDGES' CHAMBERS Choquette

QUEBEC, March 9th., 1933.

Sir A.-W. Currie,  
Principal McGill University,  
MONTREAL.

Dear Sir;-

Many thanks for your valuable address, which I will read and study with great pleasure.

I am very glad to answer to your personal question.

I was a member of the group who accompanied Sir Wilfrid Laurier in 1890 and in 1894.

In 1890 we toured the Lower Provinces and Quebec; and in 1894, Ontario and the Western Provinces, including Victoria B.C., which I much admired; and Sir Wilfrid Laurier had a great reception. We were splendidly received. The people were just as nice and hospitable as in Quebec. I have very often compared the two Provinces.

I may add that I have been in politics for nearly 50 years. I spent 31 Sessions in Ottawa as M.P. and Senator. I know something about politics and red tape.

If you ever come to Quebec, I will be very glad if you call me up. I will have great pleasure to meet you and discuss matters, because I know you by reputation and I know how much you can interest and educate me.

Yours very truly,

*Ray Choquette*
