

Humphreys' Homeopathic Specifics

Are the great remedies for families. They are designed to meet this particular want. Something that mother, father, nurse, or invalid can take or give to meet the need of the moment; something to cure the Headache or Toothache, the Diarrhœa or Colic, the Croup or Quinsy, or other ailment or disease to which every family is liable. These constantly occur, and they may be cured at once, safely and promptly, by these **Harmless Sugar Pills**, and far better than by taking Herb Teas, Drugs or Pills, or Cure-Alls, or even in most cases by sending for the Doctor. Besides in curing little ailments you arrest serious diseases.

That such diseases can be cured by **Harmless Sugar Pills** is as true as that people sew by Sewing Machines, send messages by Telegraph, or journey by Railroads. Thousands of families have used these **HUMPHREYS SPECIFICS** for the last twenty years. They have cured with them all the diseases occurring in the family, and they rarely have serious sickness, or occasion to send for the Doctor. Not only have they better health and greater freedom from disease, but they save **THOUSANDS OF DOLLARS** in the expense of Drugs, and needless doctor bills.

Thousands of persons are Invalids, or habitually feeble, subject to Headache, Rheumatism, Sleeplessness, Cough, Female Weakness, Liver Complaint, Dyspepsia, Disease of the Kidneys, or other complaint, which require the occasional use of medicine for years. With a case of **HUMPHREYS' SPECIFICS** at the expense of but a few dollars, such persons may have in their hands a source of relief and help in any emergency, and may not only render themselves comfortable, but in thousands of cases effect an ultimate cure.

No other system or method promises or performs so much. No other system is so economical. A twenty-five cent box of Specifics contains over twenty portions of medicine; a fifty cent vial, over fifty doses of medicine; while a ten dollar case contains nearly two thousand doses. The saving in cost of drugs, lost time, sickness and suffering, is incalculable. •
