ing, will be rebuilt immediately. The loss was very heavy. The managers say that a subscription list has been already started, and it is hoped that sifficient money to defray the cost of rebuilding will soon be collected.

A meeting will be held in O'Neill's Hall, corner of Parliament and Queenstreets, this evening at 8 o'clock, at which it is hoped a large representation of the members will be present. The vital question will be how to raise the money with the most possible speed. It is likely that a vigorous campaign will be advocated, and that a list of backers of aquatic sports will be prepared and allotted to the members, who will make it their business to call on them during the next few day much as a protection; against assaults of an enemy from that quarter.

We remind you of the captivity first of the city and the great gates of brass spanned the river as a protection; against assaults of an enemy from that quarter.

pared and allotted to the members, who will make it their business to call on them during the next few days. This is really the quickest way of gathering in the necessary money, and the method, the managers say, will, in all probability, be adopted.

Early Saturday morning The World awoke Joe Thompson, a prominent member of the Dons, and informed him of the fire. He immediately left soon as the necessary connection was

While speaking directly of Babylon and her fall at the hands of the Medes

Easily and attempted to smother the apocalyptic vision.

As literal Babylon ruled over the whole corner seemed all in vain, and as a reward he received a severe scorching about the head and his right and even with all this Hodgson selzed his toolbag and attempted to smother it. His efforts were all in vain, and as a reward he received a severe scorching about the head and his right and was so badly burned that he will not be able to work for at least a month.

Might Have Saved Shells.

Two other men were in the building, but were too afraid to give Hodgson a helping hand in rescuing the sivells. Sermon

SEATTLE, Wash., July 2.—Bible students an dthe public in great numbers heard Pastor Russell here to-day. We report one of his discourses on the "Two Babylons"—one literal and the other mystical. He took no specific text, but relied wholly upon Bible testimony, quoting the same frequently. He said in part:

For centuries Bible students have ob-

No one can make these comparisons I believe, and not feel fully convinced that the Holy Spirit, dictating thru Isalah and Jeremiah, was the same Holy Spirit which gulded St. John thru

who are under the influence of one stupefying draft from her cup.

Indeed, the intimation is that the whole world will be so intoxicated with the false teaching of Babylon as to be completely under her influence. And when she falls it is particularly explained that all the great, the rich, the mighty, the influential of earth will mourn the catastrophe of her fall. Only the saintly few will recognize its true import and rejoice. We read, "Alas! that great city that was clothed in fine linen and purple and scarlet, and deck

ADDRESS

ENJOYED THE HOLIDAY DESPITE INTENSE HEAT

ALLTONS

True Outdoor Style by Peeple of Teronto.

It might be supposed that the re-cent holidays on Victoria Day and Coronation Day would mar to some extent the interest taken by the citizens of Toronto in celebrating Dominion Day, but the records of Saturday's doings indicate forcibly that Toronto people are always ready for a holiday, no matter how often it comes. The intense heat of course prevented hundreds of people from taking a trip who otherwise would have done so, but even as it was, the avenues of

Railways Were Busy.

The railways carried 35,000 people out of town, but the greater part of these left on Friday evening. The Niagara boats were especially popular on the hollday, and the estimated number of passengers crossing the lake ber of passengers crossing the lake of passengers crossing the lake the previous of passengers crossing the lake On the arrival of Chief Thompson Hodgson was rushed to Dr. Fisher's lation xvi, 12).

Similarly, we are assured, mystic Babylon's end shall come suddenly, "In One hour." Like a great millstone she shall be cast into the sea to rise no more. As the literal Israelites were unvited to leave Babylon the literal, and were helped so to do, but only a few respections and that while he was somewhat of a deterrent to the nervous element of the community. absent getting some putty the woodwork caught fire from his lamp standing close by. It is believed by some that it was here that Hodgson received his severe burns. This story, however, is flatly contradicted by the injured man.

The regatta dated to have taken place Saturday last will be held this coming week-end, the other clubs having very kindly offere. to loan the Dons the use of their craft for the occasion.

Vited to leave Babylon the literal, and were helped so to do, but only a few responded, so spiritual Israelites are urgent to the nervous element of the community, but on Saturday the water had an attraction for everybody. The Hamilton bears were also liberally patronized, 5000 people taking the trip to Tigertown during the day. Hundreds of people never left the boat, the journey to Hamilton being made solely for the enjoyment of spending the greater part of the day on the water. Points along the lake also had a big Now, of people never left the boat, the journey to Hamilton being made solely for the enjoyment of spending the for the enjoyment of spending the mount of the day on the water.

Tigertown during the day. Hundred and brains and nerve on the original than the spending the win the spurs.

Use Varied Tactics. greater part of the day on the water. Points along the lake also had a big assignment of visitors, an estimated crowd of 2300 taking the boats for St.

les paraded the streets. Altogether Dominion Day was one of the best of the numerous holidays this season, and in spite of the heat there was lots of enjoyment for everybody.

This one will start humping up his back like a mad cat and landing stiffly on all fours with the force of a pile driver. That one will lie down and
