

SOME INTERESTING REGINA FACTS

Regina's street railway is municipally owned and operated. The following are details of the installation up to December 31, 1911:

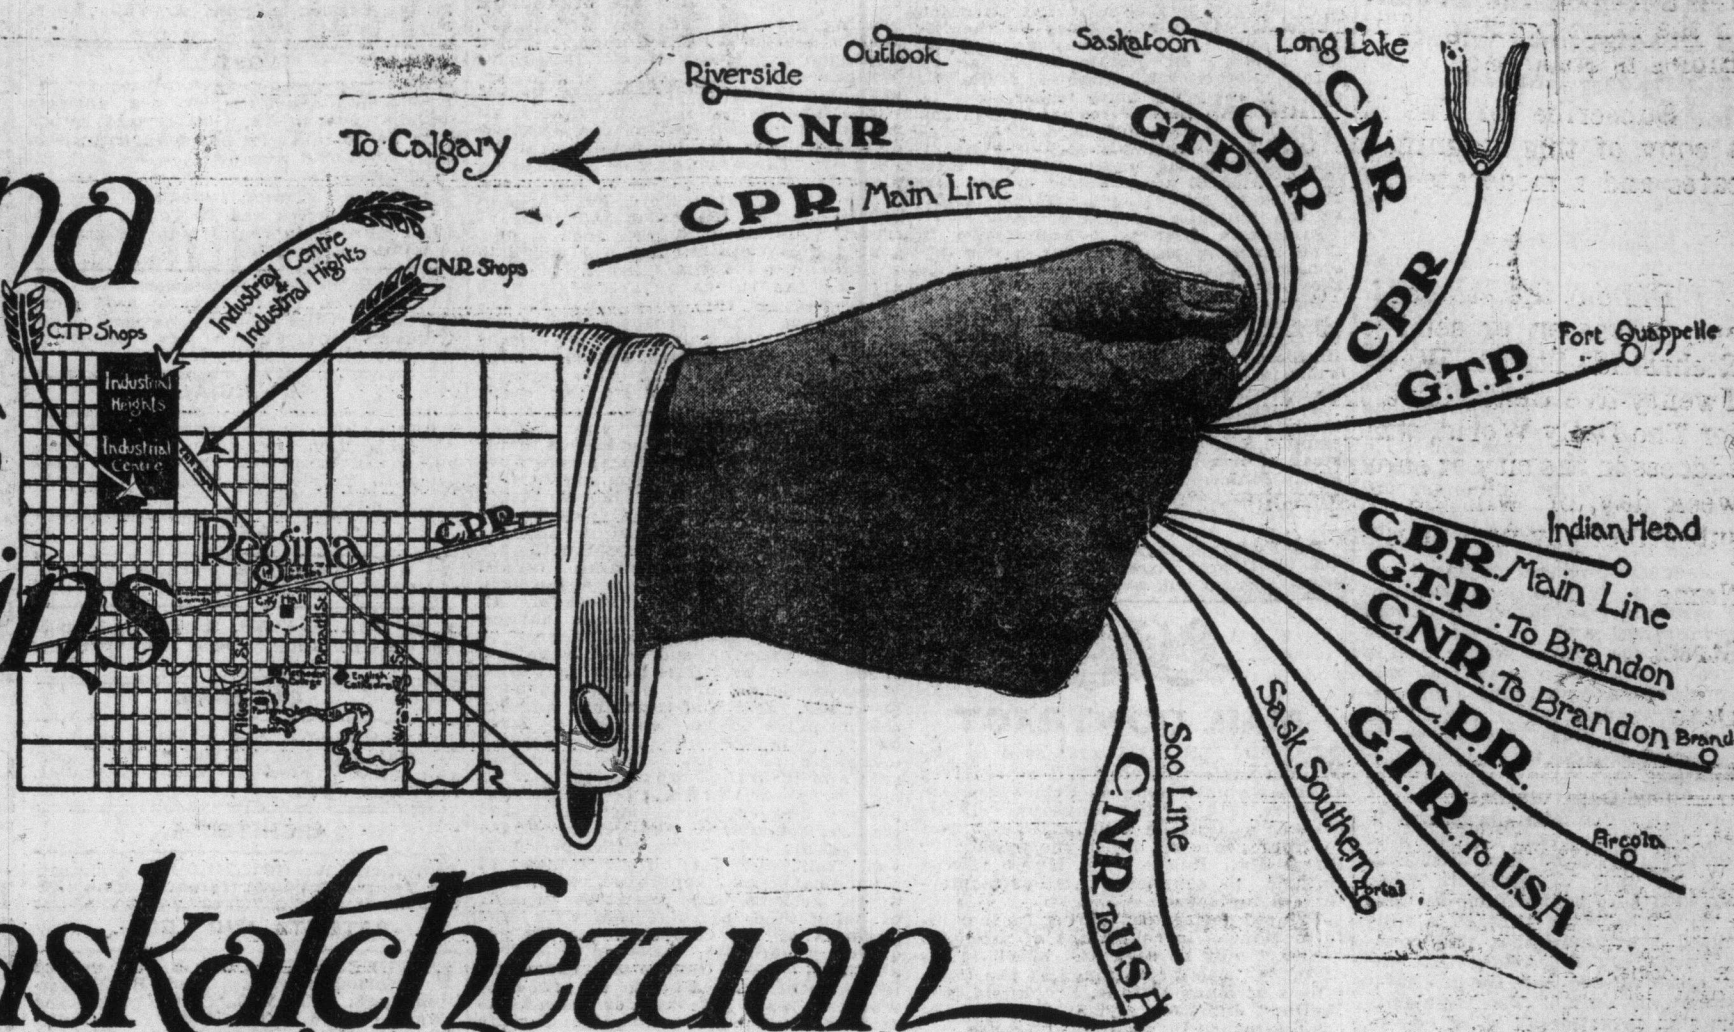

Capital expenditure, \$565,000; miles of track, 10 1/2; rolling stock, six cars and one snow sweeper; gross earnings to December 31, 1911, \$23,637.58; operating expenses, \$17,646.96; total number of passengers carried, 480,695.

The city possesses a spur track system on its own property, consisting of some 320 acres, and supplied with spur tracks laid out in a suitable way to serve all districts from the G.T.P., C.N.R. and C.P. Railways.

Regina holds warehouse sites throughout the wholesale district which are served by spur tracks at a uniform value at the present time of \$1000 for lots 25 by 125 feet size, except corner lots, which are sold at a slight additional charge. The price is far below the value of the property.

The electric lighting system is owned by the city; the generating plant consists of six boilers, aggregating 2000 horsepower, two sections of economizer, 4000 square feet; one 300 kilowatt Carlin's engine type generating unit; one 100 kilowatt Ideal engine type generating unit; one 450 kilowatt low pressure turbine generating unit; one 1500 kilowatt high pressure type generating unit; one 400 kilowatt direct current railway unit, vertical engine type.

Regina holds the reins in Saskatchewan

Regina has 25.7 miles of sewer, and reduction works capable of treating 9,000,000 gallons of sewage per day. By the close of 1912 \$630,000 will have been spent on extension of sewer system alone during the past three years.

A fifty-ton incinerator plant has been erected on North Broad Street, at a cost of \$40,500, for the disposal of all garbage and refuse.

The waterworks system is owned and operated by the city. The supply is obtained from the springs of Boggy Creek, supplemented by an extensive reservoir system.

Regina has about 257 acres of land set aside for park purposes.

Regina's building permits are illuminating. The record is as follows:

Year	Permits	Cost
1904	162	\$ 210,000
1905	346	750,000
1906	420	2,000,000
1907	480	1,177,840
1908	253	516,656
1909	282	749,429
1910	573	2,357,288
1911	573	2,357,288
1912 (estimated)	573	2,357,288

The recent Dominion census gives Regina a population totaling more than the collective population of Moose Jaw, Saskatoon and Prince Albert.

ENGLAND SURE CANADA WILL AID

Contribution to Naval Program Would Have Remarkable Effect—N. C. McEachern's Trip Successful.

Frank and Norman C. McEachern of W. N. McEachern and Sons have returned from England, whither they went for funds to assist financing a huge realty and construction project formulated by the firm. Norman McEachern told The World that their mission was even more successful than anticipated. An announcement as to the extent and details of the scheme cannot be given for some time, but a few formalities have to be completed.

Naval talk monopolizes the interest of Londoners at the present time, and in the opinions of the three classes of Englishmen is becoming more pronounced daily. The professional and business classes are eager for war with Germany, believing a contest now would prove decisively in England's favor, but the big moneyed men and the laboring and ecclesiastical classes are decidedly averse to a struggle, and are making every effort to avoid one.

The greatest aid Canada could get would be her contributing several millions to the Imperial naval program. While Mr. Borden was non-committal, it seems generally understood in the old country that it is his intention to have Canada do this.

The transformation in housing conditions wrought by the garden suburbs schemes in old portions of cities, was even more surprising than what had been accomplished in building up new tracts on the co-operative plan. Mr. McEachern found, "Conditions here being so different, a great many things would have to be considered before similar objects could be worked out on a paying basis here. The substitution of garden houses for the tumble down dwellings in some of Toronto's central sections, using the methods employed in England, would be, however, something well worthy of trying."

Another Appeal for Harvesters. On account of the urgent appeal from the west for additional farm laborers, the Grand Trunk Railway have decided to run two more Farm Laborers' excursions on Sept. 4 and 6 from all stations in Canada.

The rate to Winnipeg is \$10.00 plus half cent mile from Winnipeg to destination, but not beyond Macleod, Calgary or Edmonton.

WOMEN ALL VOTE FOR THIS PLAN

There is Not a Woman in This City That Will Not Cast Her Ballot in Favor of It.

Speaking of "votes for women" it goes without saying that every woman in Toronto will vote for the popular distribution of the Bible now being conducted by The World.

This is the illustrated Bible and to more clearly convey the idea, those words, "the illustrated" ought to be capitalized. It is "the illustrated Bible" because there is not another Bible like it in the world. Every illustration in it is made to fit a particular verse or subject. In this respect it is entirely different from any other.

It matters not how many Bibles one may possess, this one will make plain many heretofore obscure passages. Even if one is not a member of a religious organization he will appreciate the educational merits of this Bible in which every picture has a meaning.

Children are always attracted by pictures and this illustrated Bible holds their attention. Then why wouldn't all women vote for a plan that practically gives this Bible to every reader? You can always depend upon a woman's judgment in such matters. Ask "her" what she thinks of it.

There are both Catholic and Protestant editions to choose from, each in two different styles of binding. Turn to the certificate on another page of today's issue and find the plan explained therein.

CALGARY'S DEATH RATE GROWS. CALGARY, Alta., Sept. 1.—(Special.)—While there has been an increase in births and marriages in Calgary during the month of August, as compared with the corresponding month last year, there has also been a large increase in the death rate, the figures being 127, as compared with 82 last year.

Pastor's Twenty-fifth Anniversary. KINGSTON, Sept. 1.—(Special.)—Arrangements are being made for a celebration this month to mark the 25th anniversary of Rev. M. MacGillivray as pastor of Chalmers Presbyterian Church. He came here from Perth, and was inducted Sept. 13, 1887, in the old church edifice, Earl Street. He is at present on a trip to England and Scotland.

DIVIDE CANADA INTO TWO SEES

Special Session of Anglican Synod Will Take Action on Oct. 17.

MONTREAL, Aug. 31.—(Can. Press.)—The provincial synod of the Church of England in the ecclesiastical province of Canada, will meet in special session in this city on Oct. 17 next for the purpose of formally dividing the province into two metropolitan sees. It is quite possible as a result of the division that the Bishop of Quebec, being the senior prelate, may be made archbishop and metropolitan of the eastern provinces, which will include the dioceses of Nova Scotia, Quebec, Montreal and Fredericton. The proposal to divide the present ecclesiastical province of Canada has already been approved by the individual diocesan synods and by the general synod.

SALESBURY, Eng., Aug. 31.—(Can. Press.)—The mayor and corporation of Salisbury today gave a reception at the town hall to S. P. Cody, the aviator, who yesterday won two of the principal prizes awarded by the British war office for feats in aviation.

Replying to congratulatory speeches, Mr. Cody, who once was an American citizen, but is now a naturalized British subject, said he had tried his best to serve the British Government by furthering the development of aerial machines in order to protect the nation in case of war. He added that he believed the government now realized that he was a useful servant.

GUILD OF ORGANISTS. Annual Meeting Opens in St. James' Parish House Tomorrow.

Commencing tomorrow morning and closing with a public choral service in St. James' Cathedral Wednesday evening, the annual meeting of the Canadian Guild of Organists will be held in Toronto this week. Dr. Albert Ham, F.R.C.O., is president of the Guild, and the meetings will be held at the St. James' Cathedral parish house.

The mornings will be given over to meetings of the council and the Guild, at which routine business will be dealt with and papers read. On Tuesday afternoon the Guild will pay a visit to the Exhibition, and in the evening they will attend an organ recital in Convocation Hall, Toronto University, to which the public will be admitted.

FOREST HILL

The choicest residential district of Toronto. Northwest corner Eglinton Avenue and Forest Hill Road.

EXHIBITION VISITORS will be well repaid by an investigation and investment. Toronto property is advancing rapidly. Why not share in resulting profit?

Prices commence at \$23; terms are exceptionally easy, and profits will be exceptionally large.

Let us show you the property. Beautiful descriptive booklet on request.

Uncle Sam Grips Baby Republic

His Hold is Like a Vice, Says The Temps, Which Predicts Protectorate.

PARIS, Aug. 31.—(Can. Press.)—The definite assumption by the United States of full control of the affairs of Nicaragua is anticipated by The Temps to be the outcome of the present American intervention in that country.

After a long review of the circumstances leading up to the actual situation, the newspaper concludes: "The United States today holds the little Central American republic in a vice. We may expect soon to see the armed intervention transformed into a protectorate."

ST. CATHARINES, Sept. 1.—(Special.)—High Constable W. F. Kerr, St. Catharines, appeared before Magistrate Campbell Saturday to answer a charge of assaulting Mrs. McNaughton, an Indian woman residing on the Elmdale farm near Port Dalhousie. Evidence offered by the complainant was weak, and his honor dismissed the case against the officer.

BRANTFORD, Sept. 1.—(Special.)—The annual meeting of the Canadian Guild of Organists will be held in Brantford this week. Dr. Albert Ham, F.R.C.O., is president of the Guild, and the meetings will be held at the St. James' Cathedral parish house.

The mornings will be given over to meetings of the council and the Guild, at which routine business will be dealt with and papers read. On Tuesday afternoon the Guild will pay a visit to the Exhibition, and in the evening they will attend an organ recital in Convocation Hall, Toronto University, to which the public will be admitted.

LISTOWELL, Aug. 31.—At the cheese board here today, nine factories boarded 134 boxes of cheese, namely, 774 white and 1013 colored. On the board the bidding started at 13c and went up to 15c, at which price one factory sold. On the all sold, several reporting 14c advance.

LONDON, Aug. 31.—At today's cheese market 120 boxes were offered; 155 boxes sold at 15 1/2c. Bidding, from 13c to 15 1/2c.

CARS ORDERED FOR NEXT YEAR

C.P.R. Wants 1500 From the National Steel Car Company of Hamilton for Early Delivery.

The construction of the plant of the National Steel Car Company, Limited, at Hamilton, is now being rapidly pushed forward. The railroad siding has been completed into the works and the construction tracks are in place. Twenty-eight carloads of steel have arrived and the erection of this will be started at once, the foundation work now being completed. A full complement of tools have been ordered, and also fire house equipment, and the firm will be in active operation about the first of January. This firm has been awarded the contract for the Canadian Pacific Railway for 1500 box cars for delivery the early part of next year.

ST. CATHARINES, Sept. 1.—(Special.)—The annual meeting of the Canadian Guild of Organists will be held in St. Catharines this week. Dr. Albert Ham, F.R.C.O., is president of the Guild, and the meetings will be held at the St. James' Cathedral parish house.

The mornings will be given over to meetings of the council and the Guild, at which routine business will be dealt with and papers read.
