These are but the forerunners of some dread disease like deadly consumption, or fatal nervous prostratiom. Dr. Pierce's Golden Medical Recovery is the best medicine for hard working men and women. It cures all cases of weak stomach, impaired digestion and disordered liver. It gives keen edge to the appetite, makes the digestion perfect and the liver active. It makes rich, red, pure blood and builds firm, healthy flesh. It builds new, healthy, muscular tissue in every vital organ. It tones the worn-out nerves. It strengthens the muscular system, and invigorates and vitalizes the whole system. It induces sound and refreshing sleep, dissipates drowsiness and melancholy, and imparts mental power, elasticity and courage. It arouses the physical energies of the whole body. It cures (8) per cent, of all cases of consumption, bronchial, throat and kindred ailments. All medicine dealers sell it.

Costiveness and billionsness, Doctor Pierce's Pleasant Pellets cure them. They strengthen and stimulate the overworked organs. They never gripe. One "Pellet" is a gentle laxative, two a mild cathartic.
