POOL.
Yesterday afternoon James and Dunham played a very one-sided game in the pool tournament at the Griggs House. James was evidently feeling particularly good after his recent victory of the night before, and won hands down. The difference in the score was the greatest of the game played so far. Following is the score:

James.	Dunham.	James.	Dunham.
1.....1	1.....1	1.....1	1.....1
2.....2	2.....2	2.....2	2.....2
3.....3	3.....3	3.....3	3.....3
4.....4	4.....4	4.....4	4.....4
5.....5	5.....5	5.....5	5.....5
6.....6	6.....6	6.....6	6.....6
7.....7	7.....7	7.....7	7.....7
8.....8	8.....8	8.....8	8.....8
9.....9	9.....9	9.....9	9.....9
10.....10	10.....10	10.....10	10.....10

Barrows-James & Dunham.
Total—James, 125; Dunham, 45.
In the evening game Horsman did not appear to be in his usual good form; possibly the defeat of the evening before had unseated him. He led for the first four frames, and was then 20 balls ahead. Barrows caught up, and they tied 15-15. In the next frame Horsman mis-called a pocket when there were nine balls on the table. Barrows took up this advantage, and pocketed them all. From that time out, Barrows played an excellent steady game, and succeeded in winning by 30 points. The following is the score:

Barrows.	Horsman.	Barrows.	Horsman.
1.....1	1.....1	1.....1	1.....1
2.....2	2.....2	2.....2	2.....2
3.....3	3.....3	3.....3	3.....3
4.....4	4.....4	4.....4	4.....4

7.....7	7.....7	7.....7	7.....7

Barrows-James & Horsman.
Total—Barrows, 125; Horsman, 45.
THE RECORD TO DATE.
Won, Lost.
James.....7 0
Barrows.....7 0
Horsman.....4 2
Crabb.....3 4

If James wins the game tonight with Shere, he also wins the medal; but if Shere wins, it will be a standing for top place a tie between James and Barrows, in which event another game will be necessary for decision. Scott has four games yet to play, but they cannot alter the positions of the leaders.

BILIARDS.

Frank Ives, New York, the world's champion, has sent the following challenge to Paris:

"Messrs. Vignaux, Plot and Fournil: 'Gentlemen.—Unable to induce any individual player to meet me in a match game of billiards, I hereby challenge you—concededly the best trio of experts in France—to play me a series of three games on a billiard table, on a 5 by 10 table, every game to consist of 6,000 points, 1 to play against you individually, you to determine the numerical order in which you shall play me. The match to be decided in your favor in case you succeed in winning any single game in the series, and the consideration to be a wager of from \$1,000 to \$10,000, as may best suit your wishes."
Mr. Ives is willing to play either in Paris or America.

BASEBALL.

The earnings of the National League ball clubs last season are said to be about as follows: Boston \$50,000, Philadelphia \$50,000, Chicago and Cincinnati \$45,000 each, Washington, Pittsburgh and Baltimore \$25,000 each, Cleveland \$20,000, Louisville \$18,000, Brooklyn, St. Louis and New York nothing.

COSTLY MEN.
David L. Foutz has resigned the management of the Brooklyn baseball team. Foutz has been with the Brooklyn club since 1887, and was purchased from St. Louis along with Caruthers and Bushong. Foutz's release alone being \$10,000, it is not altogether improbable that Dave may now go back to St. Louis and manage Von der Ahe's team.

6 ENGLAND.
London, Oct. 8.—At Leicester yesterday the main 2-year-old plate was won by Sir J. Thurst's Trevor; Lord Cowley's Kelways was second, and Mr. Richard Croker's Princeton third. The betting was 14 to 1 against Kelways and 11 to 8 on Princeton. In the race for the Melton plate there were only two starters, Mr. E. Wishard's George H. Ketcham, and Mr. Rutherford's Break-O-Day. The former won.

SCARCITY OF GOOD GELDINGS.
The scarcity of good-looking, good acting and sound geldings and mares fit for use by drivers of both heavy and light roadsters is becoming proverbial. The United States over, says Rural World, in conversation the other day with a dealer who is on the road most of the time, and continually on the lookout for good geldings, especially the volunteered the remark that "I now know of but two really good geldings the kind that are now ready sale at nearly old-time prices, one of them being in the country north of St. Louis and the other in a small town near Chicago." And that it is buyers are continually on the lookout for desirable animals, but cannot find them. To the horse buyer, the fact seems entirely clear, providing he needs to fill market demands. Quality, not numbers, being that most breeders motto, it seems that most breeders should be able to produce at a good profit.

STAR POINTING WINS.
Lexington, Ky., Oct. 8.—The trotting races yesterday were decided on a fast track in the presence of 5,000

people. The free-for-all pace, with Frank Agate, Robert J. and Star Pointer as starters, was the leading attraction. Pointer was the favorite, but he had to go in 2:18 to win, which breaks the track record two seconds. Wilson stake, for 2:20 pacers, had seven starters with Heir-at-Law a big favorite. Royal Victor won the first heat, and lowered his record 6 1/2 seconds, but the favorite took the next three heats and the race. He had to lower his record to 2:07 1/2. Summaries:

Free-for-all pace, purse \$2,000.
Star Pointer, b. h. 1 1 1
Frank Agate, b. g. 2 2 2
Robert J., b. g. 3 3 3
Time—2:03, 2:04 3/4, 2:06 1/2.
The Wilson stake, for 2:20 class pacers, purse \$2,000:

Heir-at-Law 2 1 1
Royal Victor 1 2 3
Bright Light 4 3 2
Planet 5 4 4
Bettie Irvin 6 5 5
Russell Clay 3 5 5
Sherman Clay 3 5 5
Time—2:09, 2:07 1/2, 2:08 1/2, 2:08 1/4.

AFTER THE RACE.

Toronto Globe: Challenges of all sorts for a team race are flying from club to club. Just now, and there is a prospect of a revival of the Dunlop race on a small scale. The many spills which characterized Saturday's race in London hardly gave some of the clubs a chance to show what they were capable of doing, and although the favorites pulled off the trick in good style, there are those who claim that the fastest team did not win. Luck is a factor that enters largely into every road race, and some individuals are favored to a greater degree than others by Dame Fortune. The Queen City Club are sanguine that under favorable conditions they could reverse Saturday's result, and it is said that the Toronto would like to have an opportunity of engaging the Royal Canadians on any day from any club in the country in a match race at twenty miles over the Kingston road course. It can be taken for granted that every club has started representatives in the Dunlop with the exception of London and Ingersoll, and it is not surprising that other opportunity of squaring themselves in the eyes of their friends. It will be interesting to watch further developments.

BALD AND COOPER TIED.

Washington, D. C., Oct. 8.—According to the figures prepared by Ed Spooner, the National Circuit bicycle follower, Eddie Bald and Tom Cooper are tied for championship honors, each having 15 points to his credit. The earlier report that Bald led by two points was due to the different system of keeping points but the official figures place the men as even. Cooper says he will challenge Bald to a match race for \$100 a side to settle the matter. The friends of Bald continue to assert that his record for the season is two points more than his opponent, and that he is champion.

FOOTBALL.

The Petrol Junior and Intermediate Rugby football teams play their first championship matches here on Saturday with the London teams.

A general meeting of the Maple Leaf Football Club will be held in the City Hotel on Friday evening at 8 o'clock, to enroll new members and to select a team to play in the league games commencing on Saturday. All unattached players wishing to join please attend.

John Burwash, playing for Toronto University in the practice football game with the Toronto Athletic Club yesterday afternoon, came into collision with another player and fell and broke a leg.

The City of Guayaquil, Ecuador, in Flames.

Many People Perish—Money Loss Placed at \$54,000,000.

Lima, Peru, Oct. 8.—A big fire started in Guayaquil, Ecuador, Tuesday, which threatened to destroy the whole city. At 10 o'clock Wednesday morning the fire was still raging. Among the buildings known to have been destroyed are four banks, all the foreign consulates, all the hotels except one, two churches, all the principal business houses, the military barracks, and the arsenal. It is further stated that Guayaquil has been burned from the postoffice to the custom house, the flames extending from the bank of the river.

The fire is believed to have been of incendiary origin. Some arrests have been made. Many people lost their lives during the conflagration, and the losses are now estimated at \$50,000,000. The population is estimated at 40,000.

Guayaquil is a bishop's see and has nine churches, a college, a seminary and several convents. The city is also the seat of several manufacturing enterprises. The population is estimated at 40,000.

Seventh Battalion Shots and Their Rifles.

It is Decided to be Perfectly Fair That a Man Should Shoot With His Own Firearm.

A meeting of the Seventh Battalion officers was held at their headquarters last evening. Capt. Moore reported that he had not as yet secured all the prizes which had been promised, and had, therefore, not completed the prize list. Sgt. Freeland was delegated to look after the target, and see that everything is in readiness for the matches on Wednesday next.

At the meeting on Monday night there was considerable talk and some objection about certain members of the battalion shooting with their own rifles. Some of the men thought this was hardly fair, as those members who owned their rifles should be compelled to use a rifle from the company, the same as the other men. Those gentlemen who owned their rifles contended that the men who raised objection had picked what they considered to be the best rifles and had practiced with them, so that they shot under exactly the same conditions.

The meeting last night decided to allow those who owned rifles to use their own rifles, as those men to whom objection had been taken were practically the best marksmen in the battalion.

A member of the battalion today told of the intense excitement that the objection to men shooting with their own rifles is really political. He said that the men who raised their rifles, he says, are Liberals, and good shots, whereas those who object to them are Conservatives and only middling marksmen.

REVIVAL IN THE EAST END.

Services Being Conducted at the Centennial Church—Rev. J. Mode.

The opening of a series of revival meetings in the Centennial Methodist Church took place last evening. The meeting was a very enthusiastic one, many taking part in offering up prayer. After singing that beautiful hymn, "There Shall Be Showers of Blessing," and a short prayer by the pastor, Rev. Mr. Harris, Mr. MacLachlan, of Watford, favored his hearers with a vocal selection entitled "The Great Salvation." Mr. MacLachlan has a voice of rare sweetness, which he uses to excellent advantage.

Rev. J. McDecker, of Toronto, was then introduced by the pastor. Mr. McDecker has been making a specialty of this work for some time past, having visited a large number of cities in the United States and Canada. He was holding meetings in Port Rowan just previous to his coming here, and they have been very successful. He has been here for a long time, and he is here, in opening his remarks he took the 1st Psalm for his subject, also Romans xii. Mr. McDecker made an eloquent appeal to those who were sinners to accept Christ and be saved, expounding to them the Gospel in a very able manner. After Mr. MacLachlan had sung another hymn and emphasized the remarks of the former speaker, he called on those who wished to accept Christ to come forward and kneel at the platform. About 25 or 30 persons complied. After an earnest prayer had been offered and they had proclaimed themselves followers of Christ, the meeting was brought to a close by the pastor pronouncing the benediction.

These meetings will be held every evening until Oct. 18. The church will be used for the purpose of the coming meetings. The choir will be in attendance at tonight's gathering.

Mr. MacLachlan was for three years connected with the Bayview Assembly, Michigan.

RAILWAY ROBBERY.

Clover Device by Whiskered Cars Were Lost.

Chicago, Oct. 8.—Thirteen who, it is claimed, have, during the past year, robbed the railroad panies running out of Chicago thousands of dollars' worth of merchandise, have been locked up at Central Police Station. The men cited are: W. T. Johnson, G. W. per and J. C. Miller. In every case cars in transit have been robbed of merchandise valued from \$750 to \$2,000. When the car shipped to Chicago reached its destination, the goods on all the floors were found a hole 14 by 16 inches, and an examination showed that the goods had been taken out of the car.

Friday afternoon a carload of merchandise was shipped over the Chicago and Western Road from Chicago to Oak. A few minutes before the car was loaded an examination showed that the car was loaded with a large box of household goods, and a small box of household goods. The driver paid the freight charges on the box, and the box was shipped. It was properly sealed, and the car was then sealed. A late Saturday afternoon was spent for the car.
